Series Introduction: The Real Game of Thrones – The Battle Behind Every Crown

History books record kings, kingdoms, revolutions, and regimes—but they often miss the deeper truth: behind every earthly throne is a spiritual war, raging unseen yet ever-present. The Bible is not silent about power, rule, and dominion. It tells us there is a real game of thrones—an age-old cosmic conflict between the thrones of rebellion and the throne of God.

From the Nephilim who ruled before the flood, to the secret councils of Babylon, to the rise of the Antichrist and the Beast system, this battle has shaped empires, corrupted churches, manipulated governments, and blinded nations. Yet it all builds toward one final moment: when every crown is cast down and the Lamb takes His rightful place as King of kings and Lord of lords.

This 20-part series pulls back the veil on the spiritual strategies behind global power. It is not fiction, though fiction may echo it. It is not fantasy, though it sounds unbelievable. This is the true history and prophetic future of the thrones of this world—seen through the lens of Scripture and supported by the shadows we glimpse today.

The war for dominion is real.

But in the end, only one throne remains.

1 of 20: The Real Game of Thrones – Winter Has Always Been Coming

From Fantasy to Frozen Truth: Thrones, Giants, and the Coming Storm

Introduction: When Fiction Mirrors Forbidden History

“Winter is coming.”

Few modern phrases have captured the collective imagination like that ominous warning from *Game of Thrones*. In George R.R. Martin’s world, it signals more than just a change in temperature—it’s the encroaching shadow of something long forgotten, long denied, and long suppressed: a supernatural force of death and cold, creeping ever closer while the kingdoms of men bicker over their petty thrones.

But what if *that* isn’t fantasy at all? What if “Winter” was always a metaphor for an **ancient return**, a **forgotten judgment**, or a **long-imprisoned force** now beginning to stir beneath the ice?

In this first entry of the **20-part exposé series**, *The Real Game of Thrones*, we explore the striking parallels between the fictional kingdoms of Westeros and the **real spiritual, historical, and supernatural war for Earth’s thrones**—a war foretold in Scripture, hinted at in suppressed history, and even revealed in the shadows of popular culture.

In this deep dive, we’ll explore:

- Why *Game of Thrones* struck a nerve globally.
- How its themes reflect real prophetic structures.
- Why the **Wall**, the **Winter**, and the **White Walkers** matter.
- And how Scripture, conspiracy, and fiction intertwine in a tale much older—and truer—than Martin ever penned.

1. Thrones in the Bible: The Real Conflict Begins

Before we turn to giants and ice, we need to understand the true nature of a “throne.” A throne is not just a chair—it is a **seat of power**, dominion, and right. The Bible is saturated with throne imagery:

- Psalm 103:19 – “*The LORD hath prepared his throne in the heavens; and his kingdom ruleth over all.*”
- Revelation 4 – The vision of the **heavenly throne room**, where the 24 elders cast their crowns.

- Ephesians 6:12 – A spiritual battle not against “flesh and blood,” but “*against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*”

There’s a war for thrones—literal, earthly thrones, and unseen, heavenly ones.

Satan himself is described in Isaiah 14 as attempting to **ascend his throne** above the stars of God. The temptation in Eden was not just disobedience—it was an attempt to **usurp authority**.

This is the real Game of Thrones.

2. Thrones in Fiction: Game of Thrones’ Prophetic Allure

Game of Thrones became a cultural juggernaut because it tapped into **ancient archetypes** rooted in Scripture and mythology:

- **Dynastic bloodlines.**
- **A war from beyond the ice.**
- **Ancient giants.**
- **A promised king.**
- **A false queen with dragons.**
- **A wall separating our world from theirs.**

People are *starving* for mythologies that feel ancient, real, and unfinished. They sense, deep down, that **our world hides something**. Thrones that aren’t empty. Powers that never died.

And in this allegory, **Winter represents Judgment**.

3. The Wall in Game of Thrones vs. The Firmament and Ice Wall

In *Game of Thrones*, the Wall is a **700-foot-tall sheet of ice**. It’s ancient. Its purpose? To **protect the realms of men** from what lies beyond: **giants, wights**, and the **White Walkers**—a race of powerful supernatural entities.

Sound familiar?

Genesis 6 says the **Nephilim** walked the earth before the Flood. Jude 1:6-7 speaks of **angels bound in chains**, awaiting the *judgment of the great day*. Revelation 9 says **bottomless pits** will open in the last days. Job 38:30 says “*The face of the deep is frozen.*”

In Flat Earth cosmology, Antarctica is not a continent—it’s a **circumferential ice ring**, a **barrier**. Many suspect it’s a **sealed boundary**, beyond which lie **lands unknown**—perhaps even realms where fallen angels, giants, and pre-flood technology were sealed off by God.

Admiral Byrd, in post-WWII expeditions, cryptically spoke of lands “beyond the pole... as big as the United States,” with **mountains of coal**, strange activity, and even potential military threats. His words were quickly buried—but not forgotten.

4. The White Walkers and the Return of the Nephilim

In Thrones, the White Walkers are **ancient beings**, almost forgotten by history. They were once **sealed away**, but they begin to return—slowly, subtly, coldly.

This mirrors **Genesis 6:4**, where the “sons of God” took human wives and birthed giants. These Nephilim were judged—but **not all died**, according to many researchers. The Book of Enoch, though not canonical, claims many were **bound in the deep**.

The speculative thriller *The Ice Pact* by Paul Tackett imagines a similar scenario, where a breakaway civilization beyond the Antarctic ice wall begins to stir again. In the story, some giants survived the Flood and forged an alliance with rebellious humans and watchers. The ice wall wasn’t just a boundary—it was a prison. Now, signals pulse from the sealed realm, and ancient forces are waking up.

As in Thrones, the characters of our modern world refuse to believe—until it’s too late.

5. Thrones of Earth: Controlled by Forces Above (and Below)

Scripture is clear: **there are unseen powers behind kings and kingdoms.**

- Daniel 10 speaks of the “Prince of Persia” and “Prince of Grecia”—spiritual rulers over nations.
- 2 Corinthians 4:4 – Satan is called “*the god of this world.*”
- Revelation 17 shows a woman riding a **scarlet beast**—a political power controlled by a spiritual entity.

Just like *Game of Thrones*, where the Iron Throne is never truly secure, our world is ruled by men **puppeteered by spiritual forces**—some ancient, some human, some hybrid.

In Tackett's *Nephilim Protocol*, a secret underground facility in Antarctica hides not just frozen giants, but **a government pact with ancient beings**, made in desperation. Human elites exchanged loyalty for access to power—unaware that they were just pawns in a much older game.

6. Winter as Judgment: A Biblical Theme

Winter is not just a season—it's a symbol of judgment, death, and divine reckoning.

- Jeremiah 8:20 – *“The harvest is past, the summer is ended, and we are not saved.”*
- Matthew 24:20 – *“Pray that your flight be not in the winter...”*
- Job 38:22-23 – *“Hast thou entered into the treasures of the snow? ...which I have reserved against the time of trouble...”*

Just as *Thrones*' “Winter” brings death and reckoning, Scripture shows that **God reserves the frost, the hail, and even the snow** as *stored judgment*. What if beneath that snow lies **more than weather**?

What if **Winter is also a door**?

7. Thrones Beyond the Wall: Why They Want to Return

In *Thrones*, the White Walkers don't just return—they seek **dominion**. They are not mindless. They want **to rule**.

This is why Paul Tackett's *Seer of Two Realms* adds a prophetic layer to the story. The protagonist can see both the natural and supernatural realms simultaneously—unveiling a reality where **thrones on Earth reflect powers in the heavens**. What appears as political struggle is actually a shadow of a deeper spiritual invasion.

From Atlantis to Tartaria, from Babylon to Nazi Antarctica, ancient rulers with forbidden tech **once sat on thrones**. Whether through Nephilim blood or fallen angel knowledge, they were cast down.

But the game isn't over.

8. Thrones in Prophecy: Who Will Win the Final Game?

The Bible shows us who wins this game—and it isn't the dragons, the hybrids, or the false kings.

- Revelation 19:16 – “*And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.*”
- Revelation 20:4 – Thrones are given to **the saints** to reign with Christ.
- Revelation 11:15 – “*The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.*”

In Thrones, many fight and die for power, but only one sits the throne. In truth, there is **one throne** that matters: the throne of Christ.

Every other player—Satan, the Nephilim, hybrid kings, globalist elites—are all *pretenders*. Their reign is temporary. Their winter is limited. **Their thrones will burn.**

Conclusion: The Game Was Never a Game

Game of Thrones was entertainment, yes—but it was also **a shadow** of a war far older and more dangerous. A war for **souls**, for **real thrones**, and for **truth**.

Paul Tackett's novels—*The Ice Pact*, *Nephilim Protocol*, and *Seer of Two Realms*—open fictional windows into very real dangers, drawing readers into a deeper understanding of the war behind the curtain.

Because *The Real Game of Thrones* isn't about dragons and magic.

It's about **bloodlines**, **strongholds**, **spiritual deception**, and **the coming King**.

Winter has always been coming. But now—it may be here.

2 of 20: The Real Game of Thrones – The Wall Is Real: Ancient Boundaries and the Antarctic Veil

What if the most important boundary in human history has been hidden in plain sight—sealed in ice, myth, and treaties?

Introduction: When a Wall Isn't Just a Wall

In the world of *Game of Thrones*, the Wall isn't just a defensive fortification—it's a dividing line between realms, between the natural and the supernatural, between the present and the past. It's ancient, unbreachable, and tied to a forgotten war. The men who guard it are sworn into silence and solitude, taking no wives, owning no lands, and living as shadows on the edge of the world.

But fiction has a strange way of **echoing truth**. What if Earth has its own Wall—an unspoken, unacknowledged boundary encircling our realm? And what if, like in *Thrones*, it exists not just to keep us safe—but to **keep something else out... or in?**

This essay explores the **Antarctic Ice Wall**, the **biblical firmament**, **ancient treaties**, and the **suppressed history** pointing to realms beyond our current maps. We'll examine Scripture, history, classified military missions, and the works of authors and researchers who believe this "Wall" is **not just real—but prophetic**.

1. Antarctica: A Land More Protected Than Gold

Of all the continents, only Antarctica remains untouched by conquest. You can't buy land there. You can't build cities there. You can't dig for resources, despite its mineral richness. Nearly 60 nations have signed the **Antarctic Treaty**, agreeing to preserve it for "peaceful, scientific purposes."

That sounds noble—until you realize **no other continent** on Earth is under such airtight control.

There are no accidental tourism expansions, no land rushes, no drilling scandals. Just silence. Controlled access. And punishment for those who cross boundaries.

Why?

If you believe the mainstream narrative, it's about environmental protection.

But if you follow the pattern of forbidden zones in history—whether Eden, Mount Sinai, or the Tabernacle's Holy of Holies—**what man forbids, God often hid**.

2. The Ice Wall Theory: Beyond the Maps

In many ancient worldviews—including Hebrew cosmology—the Earth was seen not as a sphere, but as a **flat plane encircled by water** and **bound by a firmament**. The outer edges of this plane were often described as **cold, impassable regions**, sometimes guarded by **ice or celestial gatekeepers**.

Modern Flat Earth theorists interpret Antarctica not as a continent at the bottom of the globe, but as a **circular ice ring** that contains the world's oceans. To them, it's the literal **Wall**—the one that encircles the world, hides the ends of the earth, and protects the boundary God has set.

The Bible offers hints:

- **Job 38:30** – “The waters are hid as with a stone, and the face of the deep is frozen.”
- **Psalms 104:9** – “Thou hast set a bound that they may not pass over; that they turn not again to cover the earth.”
- **Proverbs 8:29** – “...when He gave the sea His decree, that the waters should not pass His commandment...”

Is it possible this “Wall” is more than symbolic? Could it be a real, frozen boundary placed by God—and protected ever since?

3. Admiral Byrd and Operation Highjump

One of the most fascinating and often suppressed episodes in modern exploration is the case of **Admiral Richard E. Byrd**, a U.S. naval officer and polar explorer who led multiple missions to Antarctica.

In **Operation Highjump (1946–1947)**, Byrd commanded a fleet of 13 ships, over 4,000 men, and dozens of aircraft. Officially, it was a training and research mission. But the size of the operation was more fitting for **a military invasion**.

According to Byrd and those close to him, what they encountered in Antarctica **wasn't just ice**:

- Reports of **unexplained aircraft** attacking the fleet.
- Descriptions of **mountains without snow**, unusual **magnetic anomalies**, and strange **temperatures**.
- Byrd himself later stated in a Chilean newspaper that the U.S. must prepare for **flying objects** that could travel "pole to pole at incredible speed."

Shortly after that statement, Byrd was pulled from public view. Operation Highjump was suddenly terminated. And **global interest in Antarctica was curiously quieted**.

What did Byrd see? What was beyond the ice?

4. The Ice Pact: Fiction Echoing Reality

In the speculative thriller *The Ice Pact* by Paul Tackett, a similar concept is imagined: a breakaway civilization sealed beyond the Antarctic boundary after a supernatural war. In the story, the ice wall isn't just a boundary—it's a **divine prison**, a barrier erected to hold back **fallen angels, giant hybrids**, and the corrupted technologies of a pre-flood world.

The elites of the modern world, in search of power, try to make contact. They send scientists. Then soldiers. But what they awaken is older than humanity—and it doesn't want peace.

The fiction draws from truth. Because if the **Nephilim** survived the flood, and if **watchers** were imprisoned under the earth, then perhaps the ice wall isn't protecting us from the cold—but from a countdown.

5. Scriptural Foundations: Frozen Judgment

Job 38 is one of the most underappreciated cosmic passages in the Bible. When God speaks to Job, He doesn't comfort him—He overwhelms him with **creation's mystery**.

“Hast thou entered into the treasures of the snow? or hast thou seen the treasures of the hail, which I have reserved against the time of trouble, against the day of battle and war?”
(Job 38:22-23)

“The face of the deep is frozen.” (Job 38:30)

These are not poetic flourishes. God is describing **elements of creation reserved for a future judgment**. And He says **the deep is frozen**.

The “deep” in Genesis 1 is the primordial chaos—the abyss. In Revelation 9, that same abyss is opened in the last days to release beings long sealed.

Is it possible Antarctica is part of that frozen “deep”? A divine vault locked in time?

6. The Treaty That Stopped the World

The **Antarctic Treaty System**, signed in 1959, is a geopolitical oddity.

During the Cold War, when the U.S. and USSR were one misstep from nuclear war, they somehow agreed—**along with 50+ nations**—to never mine, settle, or militarize Antarctica.

No other region has inspired such unity. Why would global superpowers, bitterly opposed in every other arena, **voluntarily agree to give up control** of a landmass nearly twice the size of Australia?

Unless they discovered something so ancient, so powerful, or so dangerous **that it terrified them into cooperation.**

7. The Book of Enoch and the Imprisoned Watchers

Though not canonized, the **Book of Enoch** is referenced in Jude and respected by early church fathers. It describes how 200 angels, known as the **Watchers**, descended to Earth and corrupted humanity.

They taught forbidden knowledge. They took human wives. They produced giants—the Nephilim.

When judgment came, God **imprisoned them beneath the earth**, binding them in **darkness** and **deep places** until the day of judgment.

Enoch 10:12–13 speaks of a **cursed land** where these angels were buried:

“Bind them for seventy generations under the hills of the earth, till the day of their judgment.”

Where is that land? Could it be under the ice?

Could Antarctica be not just a continent—but **a tomb**?

8. The Realms Beyond the Wall

Throughout mythology and indigenous legend, there are stories of **lands beyond the known maps**:

- In Vedic texts: **Shambhala**, a hidden land of light beyond the Himalayas.
- In Norse cosmology: **Jötunheimr**, the land of the giants beyond the ice.
- In Hopi tradition: underground worlds and beings sealed away after judgment.
- Even in Mesoamerican lore: portals to other worlds guarded by “star people.”

In *Game of Thrones*, the White Walkers aren't monsters—they're **former kings**, ancient rulers who were exiled beyond the Wall and given power by a higher force. They're intelligent. Organized. And they want to return.

Just like the kings of the Nephilim—who, according to some, never truly died.

9. Deception as Disclosure: Aliens and the New Narrative

The modern narrative surrounding Antarctica is shifting.

Once a land of penguins and snow, it's now the setting for:

- Alien documentaries
- Rumors of buried pyramids
- Sudden UAP/UFO briefings by governments
- Elite visits by world leaders (John Kerry, the Pope, and Russian Patriarch Kirill all made unexplained trips there)

Why?

Because the **great deception** (2 Thessalonians 2:11) may very well involve these beings. Not “aliens” from space—but **ancient watchers from beneath**.

In Paul Tackett's *Nephilim Protocol*, the elites rebrand the ancient giants as interdimensional travelers. They roll out disclosure in carefully crafted doses. The media is told to spin it as a positive evolution of mankind. But in the shadows, governments prepare for open contact—and servitude.

10. The Real Wall Was Made to Be Broken

Walls are built for one of two reasons:

1. To protect those inside.
2. To imprison something dangerous.

In *Game of Thrones*, the Wall failed. The dead returned. The long night came.

Scripture tells us the bottomless pit will open (Revelation 9), and that ancient kings will ascend again (Revelation 17:8).

If Antarctica is that prison, then we are living in the **prelude to that jailbreak**.

The Antarctic Wall—like the wall in Thrones—is not eternal. It was **built for a time**. And that time is running out.

Conclusion: The Ice Is Thinning, and the Game Is Accelerating

The real Game of Thrones isn't between families, governments, or presidents. It's between **principalities, fallen powers, and the returning King**.

If there is a wall of ice, it's not just geography—it's **prophetic geography**. It's a seal. A veil. A divine line drawn in frost.

Those who laugh at these ideas haven't read:

- The Scriptures
- The suppressed history of Byrd and Highjump
- The Book of Enoch
- Or the legends repeated by cultures worldwide about a **sealed realm of judgment**

But those with eyes to see know what's coming.

Winter was never about weather.

It was a countdown to when the thrones of darkness would make one final move... and the King of Kings would answer it with fire.

The Wall is real.

And **something ancient is waiting on the other side**.

3 of 20: The Real Game of Thrones – The Frozen Face of the Deep: What Lies Beneath the Ice

Introduction: A Mirror Beneath Our Feet

In *Game of Thrones*, the realm beyond the Wall is not just wild—it's haunted. It's where the dead walk, giants roam, and the White Walkers command armies of ice. The Wall hides a *deep history*, one tied not to man's thrones—but to **supernatural ones**.

That’s the same fear echoed in Scripture, where the **deep** is not just a poetic description for water. It is a **location**. A **force**. A **sealed abyss** full of **ancient judgment** and **frozen terror**.

In this third entry of *The Real Game of Thrones*, we peel back the crust of snow and the stone of tradition to uncover what the Bible calls “*the deep*.” We explore what lies beneath the southern ice, the frozen floor of ancient oceans, and the passages in Job, Enoch, and Revelation that suggest the **greatest secrets of our world are buried—beneath us**.

1. The Biblical Deep: More Than Water

Genesis 1:2 opens with mystery:

“And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.”

Before light, before land, before man—there was **the deep**.

In Hebrew, “deep” is *tehom*—a term linked to **chaos**, **abyss**, and **primordial depths**. It is the same root used for:

- The *great deep* of Noah’s flood (Genesis 7:11)
- The *depths that tremble before God* (Job 26:5)
- The *deep that is frozen* (Job 38:30)

This isn’t just poetic description. The **deep is a location**—where spiritual forces reside, where judgments are stored, and where **the imprisoned await their release**.

2. Job 38: The Hidden Treasures of God

Job 38 is God’s cosmic interrogation—a challenge to human pride through the lens of divine creation.

“Hast thou entered into the treasures of the snow? or hast thou seen the treasures of the hail, which I have reserved against the time of trouble, against the day of battle and war?”
(Job 38:22–23)

“The waters are hid as with a stone, and the face of the deep is frozen.” (Job 38:30)

These verses are not symbolic—they’re revelatory.

- **Snow and hail are “treasures”—stored by God.**

- **The deep has a “face”—and it is literally frozen.**

What exactly is beneath that face?

Some researchers argue this refers to the **Antarctic region**, which is not only frozen but **off-limits** to virtually the entire human population. Might this be where God placed **chains upon the watchers**, sealed off **pre-flood technology**, or buried **judgments against future wickedness**?

3. The Deep in Other Scriptures

- **Psalm 104:6** – *“Thou coveredst it with the deep as with a garment: the waters stood above the mountains.”*
- **Proverbs 8:27–28** – *“When he prepared the heavens, I was there: when he set a compass upon the face of the deep...”*
- **Amos 9:2–3** – *“Though they dig into hell, thence shall mine hand take them; though they climb up to heaven, thence will I bring them down.”*

The deep is presented as a **domain under God’s authority**, but also one of **rebellion, judgment, and secrets**. It is not inert. It is **active, waiting, and frozen for a reason**.

4. The Breakaway Realm Beneath the Ice

In Paul Tackett’s prophetic fiction *The Ice Pact*, a breakaway civilization escapes judgment during the time of the Flood. Led by surviving Nephilim, fallen watchers, and their hybrid descendants, this civilization retreats beneath Antarctica, using ancient technology and divine corruption to survive in the underworld.

Thousands of years later, signals begin to stir. Research teams vanish. Subterranean tunnels pulse with power. And the real reason for the **Antarctic lockdown** is revealed: it wasn’t to protect the environment—it was to guard **the face of the deep**.

5. Is Antarctica the Frozen Face of the Deep?

Let’s consider the clues:

- It is **perpetually frozen**.
- It is **surrounded by mystery and sealed by treaty**.

- It is **geographically at the “bottom” of every globe.**
- It contains **unexplored lakes**, such as **Lake Vostok**, covered by two miles of ice, with ancient anomalies beneath.

Now ask:

- Why are **so many leaders**—political, religious, scientific—traveling there secretly?
- Why did **John Kerry** visit on **Election Day** 2016?
- Why is **Google Earth imagery censored** in several Antarctic regions?

If the face of the deep is frozen, and the treasures of judgment are reserved there, **Antarctica could be the lid**—the divine capstone **on a prison of unmeasured scale.**

6. What Lies Beneath? Enoch and the Chained Watchers

In the *Book of Enoch*, we’re told of the 200 angels who descended to Mount Hermon, mated with human women, and birthed giants. These fallen were judged and **bound beneath the earth.**

“Bind them in the valleys of the earth until the great day of their judgment.” – Enoch 10:12

These valleys are often interpreted as **volcanic chasms**, deep rifts under the crust—some possibly **beneath polar regions**. If so, the “face of the deep” being frozen is a **covering**, an **ice-lid on spiritual sulfur.**

In *The Nephilim Protocol*, another work by Tackett, this theory takes flesh: the giants are not dead—they’re **preserved**, their DNA still viable, their minds connected to watchers who remain **conscious beneath the ice**, awaiting their release.

7. The Abyss in Revelation: The Deep Opens

Revelation 9 speaks of a moment where the **bottomless pit is opened** by a fallen star:

“And he opened the bottomless pit; and there arose a smoke out of the pit... And there came out of the smoke locusts upon the earth...” (Revelation 9:2–3)

These locusts are not insects—they are **tormenting beings** from another realm, given power but not permitted to kill—only to torture.

Their king is named **Apollyon**—or in Hebrew, **Abaddon**, meaning *destroyer*.

Where is this pit?

Could it be under the ice?

Could the “face of the deep” described in Job be the same location that Revelation says **will one day open**?

8. The Real Purpose of the Antarctic Treaty?

The **1959 Antarctic Treaty** is often called a “scientific peace accord.” But consider this:

- It was signed during the Cold War.
- It restricts **military presence, resource mining, and civilian access.**
- It bans **sovereign ownership**—a first in human history.
- It remains **in effect and unchallenged** 65 years later.

Some theorists believe the real purpose of the Treaty was to:

- Conceal the **true geography of the Earth.**
- Prevent access to **sealed ancient civilizations.**
- Guard the **abyss** until the **appointed time.**

As governments prepare the public for **alien disclosure**, it may not be “extraterrestrials” coming from above—but **ancient beings rising from beneath.**

9. The Great Reset and the Great Release

There are two kinds of global resets:

- The ones God initiates (e.g., the Flood).
- The ones man attempts to control (e.g., Babel, modern technocracy).

But there may be a third kind—**the one the Nephilim initiate**, when they are released.

The “great release” would be the opening of the deep, the return of those who once ruled the Earth. In *The Seer of Two Realms*, a prophetic fiction by Tackett, a man born with spiritual vision begins to see **a rising underworld kingdom**, operating in shadows, possessing minds, and preparing to overthrow the visible world.

The real game is not about politics—it’s about **who rules from beneath**.

10. Giants, Tunnels, and the Echoes of the Past

There are whispers of:

- Giant bones found beneath Antarctica.
- Ancient cities under the ice.
- Tunnel networks and magnetic anomalies that can’t be explained.

Researchers like **Steve Quayle**, **L.A. Marzulli**, and **Timothy Alberino** have compiled accounts of:

- Elongated skulls.
- Massive doorways.
- Genetic experiments tied to **ancient DNA recovered from the ice**.

Why is this relevant?

Because in *Game of Thrones*, the dead were preserved by cold. The White Walkers were **animated in ice**, their army raised from **the frozen corpses of fallen men**.

In real-world parallels, **cryogenic preservation**, **cloning technology**, and **ancient resurrection** are not science fiction anymore—they are **in government labs**.

11. Job’s Cosmic Perspective: The Gates of the Deep

God asks Job:

“Hast thou perceived the breadth of the earth? Declare if thou knowest it all.” (Job 38:18)

“Have the gates of death been opened unto thee? or hast thou seen the doors of the shadow of death?” (Job 38:17)

“Out of whose womb came the ice? and the hoary frost of heaven, who hath gendered it?” (Job 38:29)

Job is shown the **structures of the world**—ice gates, frost vaults, and frozen boundaries.

These are not metaphors. They are blueprints.

And they point us toward the **deep**, not as a depth in miles—but as a **dimension of judgment**.

12. Final Thrones Beneath Our Feet

In Revelation, thrones are not just in heaven. There is a throne **given to the beast**:

“And the dragon gave him his power, and his seat, and great authority.” (Revelation 13:2)

Where was that throne?

“I know thy works, and where thou dwellest, even where Satan’s seat is...” (Revelation 2:13)

Some say Pergamum. Others believe that was just a **shadow throne**—a visible placeholder.

The real throne of the beast may be **in the deep**. And it’s frozen... for now.

Conclusion: The Ice Is Cracking—Will You See What’s Beneath?

We are entering a time of **unsealing**:

- The **deep** is stirring.
- The **abyss** will open.
- The **giants of old** may rise again.
- The **thrones of the underworld** will challenge the throne of heaven.

But only One throne will stand.

Paul Tackett’s novels—*The Ice Pact*, *The Nephilim Protocol*, and *The Seer of Two Realms*—weave fictional reflections of these truths, designed to stir curiosity and awaken spiritual vision. But the Bible has already warned us.

The face of the deep is frozen.

But not forever.

Winter is not coming. It’s cracking.

And the next move on this chessboard of thrones... is rising from beneath.

4 of 20: The Real Game of Thrones – The Watchers and the Thrones They Lost

Unseated angels. Forbidden unions. Ancient power locked beneath judgment. The original rebellion was never just about heaven—it was about thrones.

Introduction: Before Thrones Were Given, They Were Stolen

The story of the Nephilim doesn't begin on Earth—it begins in Heaven.

Long before kings sat on thrones, before warriors raised swords or giants ruled nations, there were divine beings—**Watchers**—appointed to govern, guide, and guard. But they fell. And when they did, they abandoned their appointed posts for **illicit power, corrupted bloodlines**, and stolen dominion.

In this fourth essay in *The Real Game of Thrones*, we go back to the **original throne war**—a cosmic rebellion that led to the rise of the Nephilim, the flood of Noah, and the hidden judgment buried beneath the Earth. We will trace their origin, expose their betrayal, and explore how **their thrones are set to rise again**, both in fiction and in biblical prophecy.

1. Thrones in Heaven: The Assigned Rule of the Sons of God

The idea of celestial governance isn't mythology—it's biblical.

“When the Most High divided to the nations their inheritance... He set the bounds of the people according to the number of the children of Israel. For the LORD's portion is his people; Jacob is the lot of his inheritance.”

—Deuteronomy 32:8–9 (KJV)

Other ancient manuscripts say “*sons of God*” instead of *children of Israel*. This view—supported by the Dead Sea Scrolls and Septuagint—suggests that God assigned divine beings (sons of God) to **govern the nations**, while He kept **Israel** for Himself.

These beings had thrones—positions of rule.

They were supposed to shepherd mankind.

But they didn't.

2. The Watchers: Heavenly Thrones Abandoned

In *Genesis 6*, we find the famous (and hotly contested) passage:

“That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose... There were giants in the earth in those days...”

—Genesis 6:2,4 (KJV)

These “sons of God” are the **Watchers**—angels appointed over creation, who descended to Earth and broke the boundary between divine and human.

They gave up their heavenly thrones for **earthly lust**.

They were not cast down by force, like Satan—they **descended by choice**, as described in the *Book of Enoch*. They traded eternal rulership for **temporary control through corruption**.

They sought a **counterfeit kingdom**—thrones built on stolen genetics and hybrid power.

3. Enoch’s Account: Sworn on Mount Hermon

The *Book of Enoch* offers greater detail:

- 200 angels descended upon Mount Hermon.
- They swore a pact—never to turn back.
- They taught mankind sorcery, astrology, weaponry, cosmetics, abortion, and warfare.
- They mated with human women and birthed **giants**, called **Nephilim** (meaning “fallen ones” or “those who cause others to fall”).

They were given thrones on Earth—false thrones, based on dominion they never earned.

Their names—Semjaza, Azazel, and others—became legends, later mythologized as gods and titans.

But they were **Watchers turned rebels**. Thrones turned tombstones.

4. Thrones of the Nephilim: Giants Who Ruled

The Nephilim weren’t just abnormally large—they were **the first kings**, the first warlords, the first rulers of empires.

“These were the mighty men which were of old, men of renown.”

—Genesis 6:4 (KJV)

Every culture remembers them:

- **The Anunnaki** of Mesopotamia.
- **The Titans** of Greece.
- **The Apkallu** (fish-men) of ancient Sumer.
- **The Viracocha** of Peru.
- **The Nephilim** of biblical lands like Bashan and Canaan.

They ruled by terror, awe, and sorcery. They demanded worship. They ruled **not as men, but as gods**.

And every one of them was destroyed by God's flood judgment.

But their thrones were not destroyed. **They were buried. Sealed. Hidden.**

5. The Ice Pact: Fictional Thrones, Real Truths

In Paul Tackett's novel *The Ice Pact*, the great war of heaven descends into the realm of man. When the Nephilim realize the coming judgment, a portion of them—along with a few surviving Watchers—seek refuge beyond the edge of the known world.

There, they establish a **sealed kingdom**, one that survives the flood but not without cost.

Their thrones are **frozen**. Their technology is **corrupted**. Their king is bound—yet not dead.

In the modern era, elite explorers funded by shadow governments discover remnants of this ancient kingdom beneath Antarctica. And the warning that echoes beneath the ice is clear:

“The thrones we lost... we will rise to reclaim.”

6. Jude and Peter: The Chains That Bind

The New Testament doesn't shy away from this story. In fact, both **Jude** and **Peter** directly reference it:

“And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.”

—Jude 1:6

“God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment.”

—2 Peter 2:4

These angels were:

- Assigned positions (*first estate*).
- Left them willingly.
- Judged and bound.

And what is **their sentence**? Imprisonment beneath the Earth—in **chains**, in **darkness**, **awaiting release**.

This isn't metaphor. This is a **supernatural reality** the Bible confirms.

7. The Thrones of Psalm 82: Divine Beings Judged

Psalm 82 gives us a haunting glimpse into God's judgment of these corrupt rulers:

“God standeth in the congregation of the mighty; he judgeth among the gods.”

“I have said, Ye are gods; and all of you are children of the most High. But ye shall die like men, and fall like one of the princes.”

—Psalm 82:1,6–7

God confronts divine beings (**elohim**), who ruled unjustly, and strips them of their authority.

He warns:

- You are gods—divine agents.
- You had thrones.
- But you will die like men.

In Thrones lore, ancient kings fall and become wights. In biblical truth, **fallen rulers are judged and become shadows**.

8. Thrones of the Abyss: The Beast Rises

Revelation reveals what happens next:

“The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition.”

—Revelation 17:8

The final world leader—the Antichrist—does not rise from politics alone. He rises from **the pit**.

This beast:

- **Was** (an ancient entity).
- **Is not** (currently restrained).
- **Shall ascend** (return from below).

The watchers lost their thrones—but prophecy suggests **they’ll attempt to reclaim them** through one final king.

Is he Nephilim? Hybrid? Possessed?

In Paul Tackett’s *The Nephilim Protocol*, the answer is yes.

9. Thrones by Blood: The Serpent Seedline

Genesis 3:15 lays out the first prophecy:

“And I will put enmity between thee and the woman, and between thy seed and her seed...”

There are **two seeds**:

- The seed of the woman (culminating in Christ).
- The seed of the serpent (spiritually... and maybe genetically).

The Watchers didn’t just fall—they reproduced. Their thrones passed to their sons. And those sons—whether called **Rephaim, Anakim**, or **giants**—**preserved the bloodline**.

This is why God told Israel to wipe out certain tribes completely.

They weren’t merely wicked—they were **genetically corrupted**.

Their thrones were **counterfeit**.

10. Thrones in Fiction and Memory

From *The Lord of the Rings* to *Game of Thrones*, we see this motif repeatedly:

- Ancient kings who **fell from grace**.
- Thrones that are **abandoned, cursed, or sealed**.
- Dark lords who seek to **reclaim dominion through bloodlines**.

In *Thrones*, the White Walkers were once human kings—twisted by power. They come from beyond the Wall to claim what was lost.

The message? **The old thrones are waking.**

In real life, the spiritual equivalent is happening.

And the Church is asleep.

11. Thrones of the Nephilim: Where Did They Go?

Where did the Nephilim go after the flood?

The Bible hints they returned:

- **Numbers 13:33** – “...we saw the *giants*, the sons of Anak, which come of the *giants*...”
- **Deuteronomy 3:11** – “For only Og king of Bashan remained of the remnant of *giants*...”

Their thrones moved to:

- **Canaan** (Anakim).
- **Bashan** (Rephaim).
- **Philistia** (Goliath and his brothers).

But eventually, they disappeared from history... or so we think.

What if their physical dominion ended, but their spiritual influence went underground?

What if their thrones became **black sites, deep underground labs, and occult altars**?

12. Thrones of the Air: Spiritual Wickedness Above

Paul warned in Ephesians 6:12:

“We wrestle not against flesh and blood, but... spiritual wickedness in high places.”

These “high places” can be:

- **Atmospheric** (the heavens).
- **Political** (earthly powers).
- **Cultural** (media, education, influence).

The fallen thrones aren’t just below—they’re above.

Satan is still called **“the prince of the power of the air.”** (Ephesians 2:2)

But that power is **borrowed**. It’s temporary.

The real King is coming.

13. Thrones of Fire: The Final Reckoning

Daniel 7:9–10 says:

“I beheld till the thrones were cast down, and the Ancient of days did sit... a fiery stream issued... the judgment was set, and the books were opened.”

All thrones—heavenly, earthly, counterfeit—will be judged.

No Nephilim bloodline, no Watcher rebellion, no beast from the abyss will stand before the **fire throne** of the Ancient of Days.

Revelation 20 ends the story:

“And I saw a great white throne... and him that sat on it...”

There is **one throne** that lasts.

Conclusion: The Thrones Will Rise Again—But Not For Long

The Watchers lost their thrones.

They traded glory for lust. Dominion for defiance. Heaven for the abyss.

Their children—the Nephilim—became the false kings of the ancient world. And today, their memory lingers in legend, bloodline, and conspiracy.

But prophecy says **their final king will rise**.

And just like in *Game of Thrones*, where ancient enemies return from beyond the Wall, the watchers are watching. The thrones are calling. And the stage is almost set.

Paul Tackett's trilogy—*The Ice Pact*, *The Nephilim Protocol*, and *The Seer of Two Realms*—offers speculative fiction grounded in these biblical warnings, designed to shake readers awake.

Because this war for thrones is real.

And soon—**every knee will bow.**

5 of 20: The Real Game of Thrones – Bloodlines, Thrones, and the Seed War

Not all bloodlines are the same. Some are chosen. Others are cursed. The war for the throne is written in the blood.

Introduction: The War No One Sees but Everyone Feels

In every generation, someone seeks the throne. Whether it's kings in castles, presidents on platforms, or puppets in parliaments, there's always a contest for power. But beneath the surface of political movements and royal successions lies a deeper truth—**thrones are inherited through blood**, and bloodlines are not just historical—they're **spiritual**.

This fifth installment of *The Real Game of Thrones* explores one of the oldest, most dangerous realities in Scripture and history: **the Seed War**—a generational, spiritual, and genetic battle between the **seed of the woman** and the **seed of the serpent** (Genesis 3:15).

We will examine how **bloodlines and thrones** have always been connected, how ancient rebellions altered the human gene pool, how the Nephilim bloodline persists in elite power structures, and how the final contest for the throne of Earth will not be won by democracy—but by **divine decree**.

1. The First Prophecy: The Seed War Begins

Genesis 3:15 is not only the first prophecy in Scripture—it's also the first declaration of war.

“And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”

In this one verse, God divides humanity into **two seedlines**:

- The **seed of the woman** — ultimately leading to Christ.
- The **seed of the serpent** — a corrupted line that will war against God's chosen.

This is not a metaphor. The Hebrew word for “seed” (*zera*) is used throughout the Old Testament to refer to **biological offspring**, lineages, and inheritance.

God did not merely curse the serpent—He foretold a **genetic conflict**. A war of DNA. Of inheritance. Of thrones.

2. Cain and Abel: Blood on the Ground, Blood in the Vein

After Eden, the first two children—**Cain and Abel**—represent two sides of this seed war.

Abel offered an acceptable sacrifice to God, rooted in blood atonement.

Cain, in rebellion, offered the works of his hands. When God rejected Cain's sacrifice, he responded not with repentance—but with **murder**.

“Not as Cain, who was of that wicked one, and slew his brother.”

—1 John 3:12

Note that Scripture says **Cain was “of that wicked one”**—a direct spiritual seed.

From Cain's line came:

- Lamech, a killer and polygamist.
- Jubal and Tubal-Cain, the originators of commerce, industry, and weapons.

The line of Seth, in contrast, led to **Enoch, Noah**, and ultimately **Christ**.

Two bloodlines. Two destinies. Two thrones.

3. The Nephilim Invasion: Corrupting the Bloodline

Genesis 6 is the ultimate escalation in the Seed War:

“The sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose... There were giants in the earth in those days... mighty men which were of old, men of renown.”

The **sons of God** (*bene ha'elohim*) were not humans—they were divine beings. Their offspring, the **Nephilim**, were not merely large—they were **genetically hybrid**, corrupting the human race and threatening the promised Seed.

God's response was global:

“And God saw that the wickedness of man was great... and that every imagination of the thoughts of his heart was only evil continually.”

—Genesis 6:5

God sent the Flood to **purge the bloodline**—to reset the genetics.

But not all Nephilim were destroyed.

4. Post-Flood Giants: The Seed War Continues

“There were giants in the earth in those days; and also after that...”

—Genesis 6:4

After the flood, giants reappear:

- **Anakim** in Canaan.
- **Rephaim** in Bashan.
- **Zamzummim** in Ammon.
- **Emim** in Moab.

When Israel entered the Promised Land, God commanded the total destruction of these tribes—not for racism, but because they were genetically **hybridized**, corrupted.

“That we saw the giants, the sons of Anak, which come of the giants...”

—Numbers 13:33

These were **the same seed**—the same bloodline that warred against God's people from the beginning.

The thrones of Canaan were Nephilim-occupied.

Israel was not just fighting for land. They were fighting a **bloodline war**.

5. Thrones and Blood: The Biblical Connection

Every major covenant in the Bible involves **blood**:

- The **Abrahamic Covenant** required circumcision.
- The **Mosaic Covenant** was sealed with blood.
- The **Davidic Covenant** promised a bloodline to sit on the throne forever.
- The **New Covenant** is through Christ's blood—**the uncorrupted Seed**.

Royalty and blood are inseparable in Scripture.

Satan's counter-plan has always involved **counterfeit bloodlines**—trying to usurp the throne by creating a **false messiah** from corrupted DNA.

This is the real reason why **Christ's genealogy** matters. Matthew 1 and Luke 3 trace His lineage back to **David, Abraham, and Adam**—a line **untainted by Nephilim interference**.

6. Modern Thrones: Elites, Bloodlines, and the Serpent's Seed

Today's ruling classes trace their bloodlines back to ancient royalty. This is not accidental.

From the British monarchy to papal dynasties to financial empires like the Rothschilds and Rockefellers—**genealogy matters to them**.

Many of these families:

- Claim **divine right of kings**.
- Trace their lineage to **Merovingian** blood (believed by some to be part-human, part-divine).
- Intermarry to **preserve the bloodline**.

In *The Nephilim Protocol* by Paul Tackett, a secret group of elites known as the **Dominion Circle** carry Nephilim DNA. They use ancient rituals, genetic manipulation, and global influence to prepare for the **Return of the Blood Kings**—hybrid rulers who will reclaim Earth's thrones.

The fiction is compelling.

But the **conspiracy may be real**.

7. The Beast Kingdom: A Hybrid on the Throne

The Antichrist is not just a charismatic politician—he may be **the culmination of the seed war**.

“The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit...”
—Revelation 17:8

“They shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.”
—Daniel 2:43

These verses hint that the **final kingdom** will involve **hybridization**—a mixing of human and non-human seed.

The Antichrist may be:

- **A genetic descendant of the Nephilim.**
- **Possessed by a Watcher spirit.**
- **A resurrected ancient king (e.g., Nimrod).**

He will sit on a throne—but it won’t be earned. It will be stolen.

8. Game of Thrones: The Serpent’s Line in Fiction

In *Game of Thrones*, bloodlines are everything:

- The **Targaryens** have “dragon blood”—ancient, divine, and mystical.
- The **Lannisters** are purebred political manipulators.
- The **Starks** carry the “old blood” of the north—honor-bound but almost extinct.

And who returns from beyond the wall?

The **White Walkers**—ancient beings, tied to cold, death, and ancient thrones.

They don’t just want land.

They want to **reclaim the throne** they lost.

In *The Ice Pact*, a similar dynamic unfolds as the hidden bloodlines beyond Antarctica stir. The kings of old have not forgotten their thrones—and they are preparing to return.

9. Tartaria, Atlantis, and the Lost Thrones

Alternative history researchers speak of:

- **Tartaria**—a global empire erased from history.
- **Atlantis**—a technologically advanced society destroyed by cataclysm.
- **Lemuria, Hyperborea**, and others—each said to be ruled by “gods” or “semi-divine kings.”

What if these weren't myths?

What if they were **Nephilim civilizations**, led by the seed of the serpent, and wiped out by God's judgments?

And what if their descendants have been **biding their time**, preserving their bloodlines, and waiting to reclaim their rule?

This is not fringe—it's Genesis 6, Numbers 13, and Revelation 13.

It's the seed war.

10. The Real Royal Line: The Seed of the Woman

Through all of history, God preserved **one bloodline**—a scarlet thread running from Eden to Bethlehem to Calvary.

“When the fulness of the time was come, God sent forth his Son, made of a woman...”
—Galatians 4:4

Jesus was not just any man:

- He was **born of a virgin**, avoiding the corrupted male seed.
- He fulfilled the Davidic line, qualifying to rule.
- He was **sinless**, uncontaminated by the fallen.

His blood was pure.

His throne is eternal.

His resurrection sealed the final blow in the seed war.

11. Thrones of the Saints: The Inheritance Awaits

Those who belong to Christ are **grafted into His lineage**.

“And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise.”
—Galatians 3:29

The Church is not just saved—it is **seated**:

“And hath raised us up together, and made us sit together in heavenly places in Christ Jesus.”
—Ephesians 2:6

We don't just follow the King—we reign with Him.

The counterfeit bloodlines fight to inherit a kingdom they'll never keep.

We inherit **by faith**, not DNA.

12. The Final Battle: Thrones of Blood vs Thrones of Glory

The last war isn't just political or religious—it's genetic.

- Nephilim bloodlines will rise.
- Ancient thrones will be claimed.
- A false messiah will rule.
- But the true King will return.

“These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings...”
—Revelation 17:14

The seed war ends at **Armageddon**.

The throne of Christ remains.

Conclusion: Choose Your Line. Choose Your Throne.

You are either:

- Of the seed of the woman (redeemed, born again, sealed), or
- Of the seed of the serpent (rebellion, corruption, counterfeit thrones).

There is no middle ground.

Every throne in history, every war, every dynasty has pointed to this conflict.

Paul Tackett's trilogy—*The Ice Pact*, *The Nephilim Protocol*, and *The Seer of Two Realms*—shows what happens when fiction imagines truth: ancient thrones are not just rising—they're remembering.

But there is only one throne that matters.

And it's occupied... by a Lamb.

6 of 20: The Real Game of Thrones – Operation Paperclip and the Return of the 'Dragons'

They didn't just lose the war—they brought it with them. What the world thought was over in 1945 was only the beginning of the final moves in the ancient war for Earth's thrones.

Introduction: The Hidden End of the War

When Nazi Germany fell in 1945, the world breathed a collective sigh of relief. The monstrous regime, its genocidal ideology, and its obsession with occultism and world domination had been crushed.

Or had it?

In the shadows of postwar negotiations, a deal was struck—not between nations, but between **nations and principalities**. Under the banner of **Operation Paperclip**, the United States secretly absorbed more than 1,600 Nazi scientists, engineers, and researchers. These weren't just rocket men—they were **occultists, eugenicists, and technology traffickers** working on projects they claimed were “*not of this world.*”

This sixth installment of *The Real Game of Thrones* explores the chilling connection between **Operation Paperclip, Antarctica, the Nephilim**, and what the Bible calls **dragons**—not as fantasy, but as ancient powers preparing their return. We will explore how the throne war moved underground, how ancient beings were contacted, and how what we call “science” may be just a **modern cloak for ancient sorcery**.

1. Operation Paperclip: Importing the Shadow Kingdom

After WWII, the U.S. faced a dilemma: the Soviet Union was gaining ground in weapons research, and America had to stay ahead. But rather than start from scratch, the U.S. opted to **import Nazi scientists**, regardless of their crimes.

Officially named **Operation Paperclip**, this effort brought figures like:

- **Wernher von Braun**, SS officer turned NASA director.
- **Hubertus Strughold**, who experimented on humans in freezing chambers.
- **Arthur Rudolph**, mastermind behind the V-2 rocket built with slave labor.

These men were cleared, given new identities, and placed into high-ranking positions in **NASA, DARPA, and the CIA**.

But what else came with them?

According to declassified documents and independent researchers, the Nazis were:

- Experimenting with **advanced propulsion, anti-gravity, and sound-based weaponry**.
- Obsessed with **Thule, Vril, and Nordic beings** they claimed were communicating with them from **inside the Earth or beyond the ice**.
- Mapping **Antarctica** and conducting **occult rituals** tied to **ancient bloodlines**.

These weren't just scientists. They were **priests of a dragon cult** masquerading as engineers.

2. Nazi Occultism: Thrones of the Underworld

Hitler's inner circle—Himmler, Hess, and others—were deeply involved in **occult practices**:

- **Thule Society**—named after a mythical northern land believed to be the origin of Aryan gods.
- **Vril Society**—believed in harnessing a spiritual energy from **beings beneath the Earth**.
- Expeditions to **Tibet, Antarctica, and the Middle East** to find lost relics and **unlock ancient power**.

They sought **Atlantean technology, bloodline purity, and divine right to rule**.

In *Game of Thrones*, the Targaryens claim the right to rule through **dragon blood**. Similarly, the Nazis believed in **blood-based divinity**, tracing their Aryan origins to **mythical beings** they believed were **more than human**.

This wasn't just ideology.

It was a throne claim.

3. Antarctica: The Dragon's Den Beneath the Ice

As early as 1938, Nazi Germany launched **Neuschwabenland Expedition**, claiming part of Antarctica and establishing **underground bases**. They took advanced submarines, planes, and construction crews—and they didn't return with the full story.

After the war, **Operation Highjump** was launched in 1946, led by Admiral Richard E. Byrd. Though officially described as a training mission, it involved:

- 4,700 men
- 13 ships
- Aircraft carriers and bombers

Unofficial reports speak of:

- **Disc-shaped aircraft** attacking the fleet
- **Unknown enemy forces** operating beneath the ice
- Byrd warning of "**flying objects that can travel from pole to pole at unbelievable speed**"

After Byrd's report, the Antarctic Treaty was created.

Access closed. Silence sealed.

4. Dragons in the Bible: More Than Myth

Scripture doesn't shy away from dragons.

- **Revelation 12:3** – *“And there appeared another wonder in heaven; and behold a great red dragon...”*
- **Isaiah 27:1** – *“...the dragon that is in the sea.”*

- **Job 41** – Describes **Leviathan**, a fire-breathing sea serpent.

Dragons represent more than animals. They are:

- **Symbols of Satanic authority**
- **Throne-bearing spiritual powers**
- Often associated with **the deep, the sea, and chaos**

In Revelation 13, the **dragon gives power to the beast**, granting him **a throne**.

This is not just poetic. The beast (Antichrist) **inherits** his authority from an **ancient source**—one that Scripture names: *the Dragon*.

5. The Dragon Technology: Science or Sorcery?

According to researchers, Nazi projects like **Die Glocke** (“The Bell”) were more than weapons—they were **dimensional machines**, capable of:

- **Anti-gravity**
- **Time dilation**
- **Contacting other realms**

Sound far-fetched? So did *flying chariots* in ancient India until modern drones appeared.

What if “aliens” and “advanced tech” are actually **ancient Nephilim knowledge**?

“And they shall mingle themselves with the seed of men...”

—Daniel 2:43

The Nazis didn’t create this—they **rediscovered it**. And Operation Paperclip brought it into the U.S. defense program.

Today, **CERN, DARPA, and NASA** continue that work. Are they building rockets—or **summoning dragons**?

6. The Ice Pact Returns: Fiction or Foreshadowing?

In *The Ice Pact* by Paul Tackett, a Nazi breakaway group forms an alliance with **beings beneath the Antarctic ice**. In exchange for secrecy and access, they gain **otherworldly knowledge**.

Decades later, a new generation of scientists unwittingly uncovers what their forebears buried—and it isn't technology.

It's a **throne**, sealed in fire and frost.

A sentient, ancient force awakens.

And as in Thrones, **the dragons have not forgotten who once sat on the throne.**

7. Revelation 12: War in Heaven, Cast to Earth

“And there was war in heaven: Michael and his angels fought against the dragon...”

“...and the great dragon was cast out, that old serpent, called the Devil, and Satan...”

—Revelation 12:7–9

Satan is called a **dragon**—and he is thrown **down to Earth**.

Where does he go?

Could it be Antarctica?

Could it be the **same region** where ancient beings await, imprisoned in chains beneath the ice, as Jude and Peter suggest?

When he is cast down, **he gives his throne to the beast** (Revelation 13:2).

8. Thrones Beneath the Ice: Sealed Until the End

Job 38:30 – *“The face of the deep is frozen.”*

What if Antarctica isn't just a place?

What if it's a **seal**—the capstone on a prison?

The *Book of Enoch* describes angels bound under the earth for judgment. Revelation 9 describes the **bottomless pit** being opened.

- Where is this pit?
- Why is it locked?
- Why is it opening?

The throne room of the Dragon is **not metaphorical**. It's geographical.

And **Operation Paperclip** may have been the **front door**.

9. Dragons in Thrones: The Return of the Rulers

In *Game of Thrones*, dragons are more than beasts—they are the **symbols of divine authority**.

Daenerys is called “Mother of Dragons.” Her birthright is **to rule through dragon fire**.

She isn’t accepted at first—but as soon as the dragons return, **so does her throne claim**.

It’s not just fiction.

In ancient history, dragons (serpents, plumed serpents, flying snakes) are everywhere:

- **Quetzalcoatl** (Aztec)
- **Naga** (Hindu/Buddhist)
- **Chinese Dragon Kings**
- **Seraphim** (Hebrew fiery serpents)

What if all these legends are echoes of **one fallen line**, led by a **real, spiritual dragon**, whose throne is waiting?

10. Revelation 13: The Beast Rises with Power

“The dragon gave him his power, and his seat, and great authority.”

—Revelation 13:2

Let’s break this down:

- **Power** – The energy, military, influence.
- **Seat** – Literally, the throne.
- **Authority** – Legal or spiritual right.

The beast does not earn his throne—**he inherits it**.

From what? From **the dragon’s seat**.

This is the ultimate transfer of power. And it may involve:

- DNA (Nephilim lineage)

- Location (a real throne under the ice)
- Possession (a spirit taking over a human host)

11. The Real Reason for UFO Disclosure?

In recent years, the U.S. has **declassified UFO data**.

- Navy pilots see craft defying physics.
- The Pentagon admits **non-human craft retrieval**.
- Whistleblowers hint at **recovered bodies, reverse-engineered tech, and hidden contact**.

Why now?

Because they're getting ready to explain what's coming:

- "Aliens" will be presented as saviors.
- Ancient sites will be reactivated.
- Technology will be "discovered"—not created.
- The **return of the dragons** will be called "the next step in evolution."

And the throne of the beast will look like **progress**.

But it will be **ancient possession**.

12. Thrones of Fire vs Thrones of Ice

In *Game of Thrones*, the battle is between:

- **Ice** (White Walkers, ancient death)
- **Fire** (Dragons, divine rulership)

In the Bible, the battle is the same.

- Satan comes from the **frozen deep**.
- Jesus returns in **fire**.

"His eyes were as a flame of fire... and on his head were many crowns."

—Revelation 19:12

The throne of Christ is not hidden. It's coming in glory.

And it will destroy every other throne.

Conclusion: The Dragon Throne Will Rise—But Not Reign

Operation Paperclip was not about science.

It was a handoff. A passing of keys. A throne exchange.

The Nazis were obsessed with bloodlines, divine right, and unlocking the gates of the gods.

The United States took their files—and continued their work.

Now, the dragons are returning:

- Beneath the ice.
- Through the labs.
- From the abyss.

Paul Tackett's novels—*The Ice Pact*, *The Nephilim Protocol*, *The Seer of Two Realms*—expose what lies beneath our reality: the throne game never ended. It just changed uniforms.

But there is hope.

The Dragon loses.

The Lamb wins.

7 of 20: The Real Game of Thrones – Giants Beyond the Veil: Are They Waiting to Return?

They were driven out, drowned, and buried. But what if the giants never truly died... and what if they're not as far away as we think?

Introduction: Echoes of the Titans

In nearly every ancient culture, from the Greeks to the Sumerians, the Celts to the Native Americans, there are stories of **giants**. Not metaphorical giants of industry or intellect—but

physical beings of enormous size and strength, often linked to the divine, the monstrous, or the cursed.

The Bible, often ignored by mainstream archaeology, **does not shy away** from these accounts. In fact, it presents them as literal history—a **corrupted race**, born of rebellion, which brought the world to the brink of total destruction.

But what happened to them?

In this seventh installment of *The Real Game of Thrones*, we explore the giants of the Bible, myth, and buried history—and ask the critical question: **Did they really disappear... or did they go somewhere else?** Beneath the ground? Beyond the veil? Behind the ice?

And more importantly: **Are they coming back?**

1. Genesis 6: The Beginning of the Giants

“There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men...”

—Genesis 6:4

The Hebrew word for "giants" here is **Nephilim**, meaning "fallen ones" or “those who cause others to fall.”

They are the result of:

- **Sons of God** (*bene ha’elohim*)—angelic beings who left their place.
- **Daughters of men**—human women.

These unions created hybrid beings:

- Physically dominant.
- Spiritually corrupt.
- Often violent, cannibalistic, and depraved.

They filled the earth with blood and terror. Their presence led directly to the **global judgment of the Flood**.

2. The Flood: Not Just Cleansing, but Containment

Many believe the purpose of the Flood was to punish mankind's sin. While that's partially true, Genesis 6 is clear: the issue was **corruption of all flesh**.

“And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.”

—Genesis 6:12

The flood wasn't just moral—it was **genetic**, a reset to **preserve the Messianic seedline**.

But Genesis 6:4 also notes:

“...and also after that...”

Meaning: Nephilim **re-emerged** after the flood.

How?

- Some believe a **second incursion** occurred—more fallen angels descending.
- Others believe **genetic survival** through the wives of Noah's sons.
- Still others suggest **survivors**—giants who escaped to remote regions or beneath the Earth.

Regardless of the theory, the post-flood world was not free from giants.

3. After the Flood: The Second Giant Age

The Bible records a resurgence of giants in the land of Canaan:

- **Anakim** (Numbers 13)
- **Rephaim** (Deuteronomy 3)
- **Zamzummim, Emim, Horim**, and more

These giants were:

- Feared by Israelite spies
- Described as **“of great stature”**
- Linked to **cities with enormous walls and beds (Og of Bashan)**

God instructed **total annihilation** of these tribes—not due to xenophobia, but because of **Nephilim contamination**.

The conquest of Canaan was not just about land. It was a continuation of the **seed war**: The **pure bloodline of Abraham** against the **corrupted bloodlines of fallen angels**.

4. The Giants Vanish from the Page—but Not from the Earth

After David slays Goliath and his brothers are killed, giants seem to vanish from biblical narrative.

But many extra-biblical accounts suggest **they never really left**:

- Native American legends of **red-haired cannibal giants**.
- Greek myths of **Titan imprisonment in Tartarus**.
- Norse sagas of **frost giants** sealed away in icy realms.
- Middle Eastern tales of **djinn** imprisoned in the earth.

Could these be distorted echoes of the same beings?

And if so, where did they go?

5. Tartarus, Chains, and the Pit

Peter and Jude both write of a special judgment:

“God spared not the angels that sinned, but cast them down to hell [Greek: Tartarus]...”
—2 Peter 2:4

“...reserved in everlasting chains under darkness unto the judgment of the great day.”
—Jude 1:6

Tartarus is not Gehenna. It’s a **distinct place of imprisonment** beneath even Hades. The Greeks believed the **Titans were locked there**—and Peter uses that term deliberately.

Could the fallen angels—the Watchers—be there?

And if so, what about their offspring? If their spirits are disembodied, could they be what we call **demons**? And if their **bodies were preserved**, might they be **cryogenically sealed** beneath the Earth... or Antarctica?

6. Giants in Antarctica? The Ice Pact Theory

In *The Ice Pact* by Paul Tackett, a post-Flood breakaway civilization flees beyond the ice wall. Led by surviving giants and their human followers, they seal themselves behind a frozen veil.

They do not die.

They **sleep**.

Beneath the ice, their thrones remain, frozen in time. As the modern world draws closer—militaries, scientists, explorers—the giants begin to stir.

The question in the story is the same for us:

Did the giants die? Or did they retreat?

7. Kandahar, Smithsonian, and Giant Cover-Ups

Modern rumors abound:

- **The Kandahar Giant** – A supposed 12-foot humanoid with red hair killed by U.S. special forces in Afghanistan. Witnesses reported the event, and the body was allegedly taken by helicopter and covered up.
- **Smithsonian Giant Bones** – In the 1800s, newspapers reported numerous giant skeletons found in North America. Most were sent to the **Smithsonian**, never to be seen again.
- **Svalbard Vaults and Deep Underground Military Bases** – Speculated as locations where **ancient remains and tech are hidden**.

Why the secrecy?

Because giants prove:

- The Bible is literal.
- Ancient civilizations were more advanced than we're told.
- Evolution is false.
- And history has been **edited by those protecting their thrones**.

8. Giants Beyond the Ice in Thrones

Game of Thrones introduces us to:

- **Wun Wun** and the giants beyond the Wall.
- Creatures of **massive size**, ancient dignity, and **declining numbers**.
- Hunted. Hiding. Waiting.

These giants are not mindless—they are **fallen royalty**. Their land is separated by **the Wall**, and they join in the war only when the realm is at stake.

Could this be a metaphor?

For **giants waiting behind a literal ice wall**, sealed from mankind, but preparing to join the last war?

9. Giants in the Last Days? The Return Foretold

Jesus said:

“As it was in the days of Noah, so shall it be also in the days of the Son of man.”

—Luke 17:26

What marked Noah’s days?

- Genetic corruption
- Nephilim presence
- Global violence
- Divine judgment

If those days return—then **so do the giants**.

And not just metaphorically.

Isaiah 13 speaks of “giants” stirred to battle. Revelation 9 describes **locusts like horses**, with power to torment, led by **Apollyon**.

These aren’t bugs. They are **beings**. Possibly **released hybrids**.

10. Giants in Spirit: Demonic Manipulation Today

The disembodied spirits of Nephilim—giants who died—are believed to be **unclean spirits** or **demons**.

They:

- Seek **bodies to possess**
- Are **restless** and tormented
- Hate humanity

That's why demonic possession is often:

- Violent
- Supernaturally strong
- Linked to bloodlust, blasphemy, and death

In *The Seer of Two Realms*, Tackett imagines a man who sees both realms. He witnesses modern leaders and influencers **possessed by shadowy beings**, remnants of the ancient giants—guiding nations to war, collapse, and submission.

11. Are We Being Prepped for Their Return?

Pop culture has normalized:

- Giants (*Attack on Titan*, *God of War*, *Jack the Giant Slayer*)
- Hybrids (*Superman*, *The Eternals*)
- Alien-human blending (*Ancient Aliens*, *Prometheus*)
- Resurrection science (*Jurassic Park*, cloning, CRISPR)

We're being **preconditioned** to accept:

- Non-human entities
- DNA manipulation
- Lost giants
- And their return as **gods, saviors, or even ancient "humans"**

The throne they seek is **ours**—the dominion given to man.

12. Thrones of the Earth: Inheritors or Intruders?

Psalm 115:16 says:

“The heaven, even the heavens, are the LORD's: but the earth hath he given to the children of men.”

The Earth was **given to us**—but someone wants it back.

The giants don't need politics. They need bodies, bloodlines, and **thrones**.

That's why Israel had to wipe out the Rephaim.

That's why David killed Goliath.

That's why Jesus returns with **a sword**—to crush the final rebellion of those who say, *“We will not have this man reign over us.”*

Conclusion: The Thrones Are Not Empty. They're Waiting.

From Bashan to Antarctica, from Canaan to Kandahar, the giants of old **have not vanished**.

Their bodies may be buried. Their bones hidden. But their **spirits still whisper**, and their **thrones are not forgotten**.

In *Game of Thrones*, the giants beyond the Wall were forgotten warriors.

In Scripture, they are the **remnants of a rebellion** older than mankind.

Paul Tackett's novels—*The Ice Pact*, *The Nephilim Protocol*, *The Seer of Two Realms*—offer vivid speculation on how they might return. But the Bible tells us how they'll end.

The giants are not just ancient stories.

They're ancient enemies.

And one day soon...

They will rise again.

8 of 20: The Real Game of Thrones – The Blood of Kings: Why the Elites Obsess Over Lineage

They say power corrupts, but what if corruption came first? For the rulers of this world, blood is everything. And the thrones they sit on may not belong to man at all.

Introduction: The Global Crown That Never Came Off

In every generation, one truth remains unchanged: **those who rule believe they are born to do so.**

Presidents come and go, but behind the scenes—royals, bankers, religious dynasties, and ancient secret societies **retain influence far beyond the vote of the people.** Their secret? **Lineage.**

This eighth entry of *The Real Game of Thrones* uncovers the true history behind global elites and the thrones they seek to preserve. From Babylon to Rome, from Pharaoh to Rothschild, from Merovingian kings to Silicon Valley technocrats, **bloodlines are everything.** And they always have been.

We'll explore the spiritual, historical, and prophetic reasons the elites **intermarry, ritualize, and obsess over genealogy**—and how this all ties back to the **serpent's seed** and **Satan's war on the throne of Christ.**

1. Thrones of Blood: From Eden to Babylon

God ordained human government—but only after sin entered the world. The first true kingdom wasn't Egypt, Sumer, or Babylon.

It was **Eden.**

There, God walked with man. There, dominion was handed to Adam.

But Satan—through deception—**usurped that authority.** His war wasn't just for the garden. It was for the **throne over the Earth.**

"The earth hath he given to the children of men."

—Psalm 115:16

But Satan wanted it. He didn't overthrow man with war—he overthrew him with **lineage contamination.**

Hence: the **seed war** began (Genesis 3:15).

Every throne after that—Babylon, Assyria, Rome—was built on this premise: **"We rule by divine blood."**

2. The Divine Right of Kings: Not a Myth

From medieval Europe to the dynasties of China, rulers have always claimed **divine origin**:

- Pharaohs believed they descended from the gods.
- The Caesars claimed to be sons of Jupiter.
- The Chinese emperor was called the “Son of Heaven.”
- European kings insisted on the “**Divine Right of Kings**”—God Himself had chosen their blood.

Why the emphasis?

Because even pagan kings understood a spiritual truth: **authority flows through bloodlines.**

“The scepter shall not depart from Judah...”

—Genesis 49:10

God Himself tied **thrones to bloodlines**—which is why Satan has worked for centuries to **create counterfeits.**

3. The Merovingians and the Grail Myth

One of the most persistent legends in elite circles is the “**Holy Blood, Holy Grail**” theory—that Jesus had a child with Mary Magdalene, and that child’s bloodline became the **Merovingian dynasty** in France.

Though biblically false and Gnostic in origin, the elite **obsess over it.**

Secret societies like:

- **Priory of Sion**
- **The Knights Templar**
- **The Rosicrucians**
- **Freemasonry**

Have rituals and beliefs built on this heresy. Why?

Because it gives **claim to a divine throne.**

If you can prove your blood is tied to Christ—even through deception—you can claim to **rule the world in His name.**

This false messiah lineage will be part of the Antichrist deception.

4. Bloodlines and Banking: Who Really Owns the Thrones?

The **Rothschilds, Rockefellers, Payseurs**, and other elite families may not wear crowns—but they **fund the kingdoms.**

They marry into royalty. They control central banks. They create wars. They lend to both sides.

The Rothschilds in particular are known for:

- Claiming descent from **King David.**
- Financing governments across Europe for 200+ years.
- Supporting both **Zionist** and **Luciferian** causes.

In *The Nephilim Protocol*, Paul Tackett writes of a **shadow family**, whose bloodline extends back to the post-flood Nephilim kings. They move silently, funding empires, orchestrating collapses, and preparing for **the crowning of their own messiah**—one with divine genetics, global favor, and **ancient authority.**

5. Why the Elites Intermarry: The Preservation of Thrones

The British royal family, Saudi monarchs, and even political dynasties like the **Bushes** and **Clintons** have one thing in common: **interconnected bloodlines.**

These families:

- **Don't marry for love.**
- **Marry to consolidate power.**
- **Avoid genetic dilution.**

The goal is **lineage preservation.**

Not just for money.

Not just for politics.

But for **spiritual succession.**

The Antichrist will not come from nowhere.

He will come from a **bloodline**, a **dynasty**, and he will be accepted by elites because he checks the **ancestral boxes**.

6. Thrones in Thrones: Blood Rules All

Game of Thrones is a story about blood:

- Targaryens believe they have “dragon’s blood.”
- Lannisters obsess over purity and legacy.
- Bastards are denied titles.
- The entire war begins because of a **false heir**.

In the series, **the right to rule is genetic**, not earned. It mirrors real life.

Even Jon Snow, the ultimate hero, is ultimately revealed to be a **Targaryen**—and thus **rightful heir to the Iron Throne**.

In reality, a similar game is being played.

The world’s elites believe **their DNA gives them the right to rule you**.

7. The Vatican, the Crown, and the Hidden Thrones

The **Pope**, the **British Monarchy**, and the **Zionist political elite** represent **three pillars** of global power:

1. **Religious**
2. **Royal**
3. **Financial**

These institutions:

- Work together behind the scenes.
- Share blood ties.
- Formulate global agendas.

The Vatican claims “apostolic succession.” The Crown claims divine inheritance. The Zionists claim biblical entitlement.

But in Revelation, **the woman rides the beast**. She has power—but it’s **borrowed from the dragon**.

These thrones are preparing to **unify under one man—the final beast**, who merges:

- Religion
- Royalty
- Economics

8. Satan’s Bloodline? Is There One?

Some propose that Satan cannot reproduce.

But Genesis 3:15 says otherwise:

“I will put enmity between thee and the woman, and between thy seed and her seed...”

This is spiritual—but possibly also **biological**.

If the Watchers (Genesis 6) mated with humans, and if their Nephilim offspring had children, then their **corrupted DNA** spread through royal lines.

The Antichrist will likely be the **culmination of that seedline**.

A man possessed by the Dragon, bearing **divine appearance**, and **carrying the old blood**.

This is why the elites preserve bloodlines.

They are **guarding a throne**.

9. AI, Transhumanism, and the Next Evolution of Royalty

Modern elites like Elon Musk, Yuval Noah Harari, and Silicon Valley billionaires are not interested in old thrones.

They want to become **gods**.

Through:

- **Gene editing (CRISPR)**
- **Neural implants**
- **Immortality tech**
- **Mind uploading**

They believe **they will evolve into rulers** not through blood—but through **machine-enhanced superiority**.

This is the **Neo-Throne**, the **Dragon’s Upgrade**—a new generation of thrones where **the flesh of Nephilim meets the circuitry of Babylon**.

In Paul Tackett’s *The Seer of Two Realms*, these hybrids appear as both human and machine—blurring the line between spirit and flesh, tech and throne.

10. Revelation’s Warning: Thrones Given by the Dragon

“And the dragon gave him his power, and his seat, and great authority.”

—Revelation 13:2

This verse says:

- The **throne** of the Antichrist is **not earned**.
- It’s **given**—by **Satan himself**.
- This throne is **spiritual, legal, and geopolitical**.

It will be supported by:

- **Bloodlines** (he’ll be seen as royal)
- **Prophets** (false religion)
- **Bankers** (economic control)
- **Technology** (global reach)

He will unite what the serpent has been preparing since Eden:

- **A throne built on blood.**
- **A crown stolen from Christ.**
- **And a global kingdom destined to burn.**

11. Thrones We Are Promised

But God has a different plan:

“To him that overcometh will I grant to sit with me in my throne...”

—Revelation 3:21

“And they lived and reigned with Christ a thousand years.”

—Revelation 20:4

The saints are not just saved—we are **enthroned**.

Not by bloodline.

Not by technology.

But by grace.

Satan mimics this, creating blood-based thrones, false inheritances, and global deception.

12. The Endgame: The Final Crown

When Christ returns, Revelation 19 says:

- He wears **many crowns**.
- His name is **King of kings, Lord of lords**.
- The **beast and false prophet** are cast into the Lake of Fire.
- The **dragon is bound** for 1,000 years.

Every counterfeit crown will fall.

Every bloodline throne will be exposed.

And the only royal family left standing will be **those adopted into the family of God**.

Conclusion: The Real Crown Doesn't Run in Their Blood—It Was Bought with His

The elite know something most people don't: **blood speaks**.

That's why they trace it, protect it, and intermarry.

That's why they build thrones and altars to protect it.

That's why the Antichrist will rise from it.

But God has a bloodline too.

It flows from **Calvary**.

And it dethrones every imposter.

Paul Tackett's novels—*The Ice Pact*, *The Nephilim Protocol*, *The Seer of Two Realms*—invite readers to reimagine what the throne war looks like today. But the Bible has already declared its victor.

The seed of the woman wins.

The Lamb takes the throne.

And the crown never falls again.

9 of 20: The Real Game of Thrones – Thrones in the Deep: The Abyss and the Coming King

Not all thrones are on mountains. Some are buried beneath oceans, locked in chains, waiting for the last seal to break.

Introduction: A Throne Beneath the Surface

In our minds, thrones belong in grand halls or atop golden stairs. But the Bible paints a darker picture: **some thrones are beneath the earth, in places we dare not look.**

What if the greatest war for dominion isn't being fought in palaces or political chambers—but **in the deep**, far below our feet?

This ninth installment of *The Real Game of Thrones* explores what the Bible calls **the abyss**, or **bottomless pit**—a real location described not as a metaphor, but as a place of judgment, imprisonment, and eventual release. We'll explore the thrones that were once cast down into it, who ruled there before, and **who is rising to reclaim them.**

1. What Is the Abyss?

In Scripture, the **abyss** is known as:

- **“The deep”** (Genesis 1:2)

- **“The bottomless pit”** (Revelation 9:1)
- **“The great deep”** (Genesis 7:11)
- **“Tartarus”** (2 Peter 2:4, in Greek)

Each term is associated with:

- **Prison for fallen beings**
- **Watery depths**
- **Judgment**
- **A future unlocking**

The first mention of it is **before creation**. The earth was “without form and void,” and **darkness was upon the face of the deep** (Genesis 1:2). God hovered over it.

This deep is not just a poetic way of describing water.

It is the **primordial abyss**, the **cosmic underworld**, the **base level of spiritual rebellion**—and it **contains thrones**.

2. Revelation 9: The Abyss Opens

“And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.”

—Revelation 9:1

This passage is not symbolic. It describes:

- A **real angel** (perhaps fallen) falling to Earth.
- Receiving a **key**—authority.
- Opening a **sealed location**—the abyss.

When opened:

- Smoke rises like a furnace.
- Beings emerge—**not human, not animal**.
- They have a king: **Apollyon** (Abaddon in Hebrew)—“*The Destroyer*”.

This king is not Satan—but a **high-ranking underworld ruler**.

He has a throne.

And when the abyss opens, **he gets it back.**

3. Thrones in the Abyss: Who Is Imprisoned There?

“For if God spared not the angels that sinned, but cast them down to hell [Greek: Tartarus]...”

—2 Peter 2:4

“...he hath reserved in everlasting chains under darkness...”

—Jude 1:6

These angels:

- Left their “first estate” (their heavenly realm)
- Took human wives (Genesis 6)
- Produced the Nephilim
- Were punished—**not killed**, but **imprisoned**

The Greek word **Tartarus** is unique in the New Testament. In Greek mythology, it was a prison for **Titans**, beings **greater than gods**—buried in **the lowest pit of the underworld.**

Sound familiar?

The Watchers are not in Hell. They are in **Tartarus.**

And some believe their **thrones remain beneath**, awaiting revival.

4. Thrones Lost: Rebellion, Flood, and Burial

Before the flood, the earth was filled with:

- **Giants** (Nephilim)
- **Hybrid kings** (Rephaim)
- **Supernatural technologies**
- **Sorcery and blood rituals**

These kings ruled vast regions. Their stories were passed down as:

- **Titans** of Greece
- **Annunaki** of Mesopotamia
- **Watchers** of Enoch
- **Mighty men of old** (Genesis 6:4)

When God sent the flood, He didn't just destroy them.

He **buried their cities, sealed their gates, and locked their thrones beneath oceans and ice.**

5. The Sea Monsters and the Deep Kings

In the book of Job, God describes **Leviathan**—a serpent of the sea, breathing fire, feared by all.

“Upon earth there is not his like, who is made without fear.”

—Job 41:33

This isn't metaphor. Leviathan is described in **biological and spiritual terms.**

Psalm 74:14 says:

“Thou brakest the heads of leviathan in pieces, and gavest him to be meat to the people inhabiting the wilderness.”

Revelation 13 depicts a **beast rising from the sea**—a throne-claiming ruler empowered by the dragon.

What if these aren't disconnected images?

What if **beneath the ocean**, in the abyss, ancient thrones and ancient kings lie waiting?

6. Apollyon: The Destroyer King of the Deep

“They had a king over them... whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.”

—Revelation 9:11

This is the **only time** in Scripture where a fallen spiritual king is named so clearly, other than Satan.

He is:

- **Ruler of the abyss**
- **Leader of destructive forces**
- **Not yet active—but waiting**

Apollyon may be:

- A high-ranking fallen Watcher
- A resurrected Nephilim king
- A pre-Adamic ruler awaiting the final war

In Paul Tackett's *The Ice Pact*, Apollyon is hinted to dwell beneath Antarctica—a **sealed city beneath the ice**, where his throne is buried in crystal. The elites who try to awaken him are consumed.

They break the seal. But they don't control what comes out.

7. Thrones in Thrones: Kings of the Deep in Fiction

Game of Thrones hints at ancient kings beyond the Wall:

- **White Walkers** are not random—they are former kings, corrupted.
- Their leader, the **Night King**, was **crowned** by magic, not birth.
- He rules from **beneath the ice**, commanding legions of the dead.

Their thrones are not seen—but their power is.

In the real world, the **thrones of the deep** are unseen, forgotten—until Revelation.

When they rise, they come not as invaders—but as **returning kings**, claiming ancient rights.

8. The Vatican's Interest in the Abyss?

It may seem strange, but the **Catholic Church** has long had:

- Observatories pointed at deep space (L.U.C.I.F.E.R. in Arizona)
- Libraries of ancient Nephilim lore

- A history of **naming demonic spirits in detail**
- Speculation of “**baptizing aliens**” when they arrive

Why?

Because they know.

The Vatican—like many secret societies—understands that **something beneath is rising**.

They’re preparing to greet the kings of the abyss as **cosmic brothers**.

But the Bible calls them **abominations**, destined for fire.

9. Can the Abyss Be a Location on Earth?

Many believe:

- The **Bermuda Triangle**
- **Lake Vostok** in Antarctica
- The **Mariana Trench**
- Deep underground bases like **Dulce, NM**
- And **Antarctica’s Forbidden Sector**

Are potential entrances to the **abyss**.

If so, the physical and spiritual realms are not as separate as we think.

Revelation treats the **deep** as a sealed, guarded space with **timed release**.

And someone will unlock it.

10. The Antichrist: He Rises from the Deep

“The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit...”

—Revelation 17:8

Let’s break that down:

- **Was** – once ruled.
- **Is not** – currently restrained.

- **Shall ascend – returns**, from the abyss.

The final world ruler comes **from the pit**, not the polls.

He has been **preserved, hidden**, and **awaiting his moment**.

The Antichrist will **claim old thrones**, and demand the world recognize **his ancient right**.

11. Thrones of Fire: The Final War

But his rule is short.

“And I saw a great white throne...”

—Revelation 20:11

God’s throne descends—not beneath, but **above**. The thrones of the deep are judged.

“Death and hell were cast into the lake of fire.”

—Revelation 20:14

Even Apollyon, the great destroyer, will be **destroyed**.

The throne of the abyss is not eternal.

Conclusion: Not All Thrones Are Empty—Some Are Just Waiting

As the last days unfold:

- The seals are broken.
- The pit opens.
- And the kings of the deep return.

Paul Tackett’s *The Ice Pact* and *The Nephilim Protocol* depict these kings not as fantasy—but as a **warning of things to come**. Thrones buried beneath the ice. Cities beneath the ocean. Armies that never died—just slumbered.

The real Game of Thrones isn’t about who rules from Washington or London.

It’s about who’s rising from **below**.

And the only throne that will stand?

Is the one that never fell.

10 of 20: The Real Game of Thrones – The Two Kings: Lucifer’s Crown and Christ’s Throne

Introduction: A Tale of Two Thrones

From the moment man was created and given dominion over Earth, there has been a war between **two kings**, and two claims to the throne. One offers glory, dominion, and false light; the other offers truth, righteousness, and eternal life. One king rose up from pride and fell like lightning. The other descended in humility and rose in glory. Their paths intersect at the center of every war, every ideology, and every heart.

In this tenth installment of *The Real Game of Thrones*, we explore the cosmic clash between **Lucifer**—the usurping prince of this world—and **Jesus Christ**—the rightful heir to the throne of all creation. This is not mythology. It is not metaphor. It is the foundational narrative driving history itself. And the battle for thrones—spiritual, political, and personal—cannot be understood without recognizing these **two rival kings** and the opposing kingdoms they represent.

1. The King of Pride: Lucifer’s Fall from Glory

Before the garden, before Eden, before man, there was a throne in heaven. And seated on it was God—sovereign, eternal, and unchallenged. Among the created beings who worshipped at His throne was **Lucifer**, described in Ezekiel 28 as “the anointed cherub that covereth.” He was not only beautiful but privileged—perfect in wisdom, adorned with precious stones, and placed upon the holy mountain of God.

But perfection bred pride. And pride birthed rebellion.

Isaiah 14 records Lucifer’s inner ambitions:

“I will ascend into heaven, I will exalt my throne above the stars of God... I will sit also upon the mount of the congregation... I will ascend above the heights of the clouds; I will be like the most High.”

Lucifer didn’t just want power—he wanted the **throne**. He wanted worship. His ambition was not content with reflecting God’s glory—he wanted to be enthroned **above** it.

This was the original coup. The first "game of thrones." And it ended with the fall of a star.

2. The Temporary Kingdom: Lucifer, Prince of This World

Cast from heaven but not stripped of influence, Lucifer became **Satan**, the adversary. Jesus Himself called him “the prince of this world” (John 14:30), and Paul described him as “the god of this world” (2 Corinthians 4:4).

This is not hyperbole. Satan currently occupies a **throne of influence** over:

- The kingdoms of men
- The structures of world power
- The systems of religion, media, economics, and government

When he tempted Christ in the wilderness, he offered Him **all the kingdoms of the world** if Jesus would only bow and worship him. That offer wouldn’t be a temptation if Satan didn’t have real possession. Jesus didn’t deny his claim—He denied his right to receive worship.

Satan’s throne is real. It is global. And it is built on pride, deception, and borrowed time.

3. Thrones on Earth: A Proxy War for the Heart of Man

Every earthly throne—be it a government, a royal dynasty, or a spiritual pulpit—is influenced by one of these two kings.

Throughout history, men have risen to power under Satan’s inspiration. Nimrod built Babel in defiance of God and sought to unify the world under one language, one city, one ruler. Pharaoh hardened his heart against God’s prophet. Nebuchadnezzar declared, “Is not this great Babylon, that I have built?” Each of these men, in their own way, sat upon **borrowed thrones**—borrowed from Lucifer, fueled by rebellion.

Even in the modern era, tyrants like Hitler, Mao, and Stalin claimed godlike authority. Their ideologies stripped people of liberty, truth, and life—all hallmarks of Satan’s counterfeit rule.

The enemy doesn’t always show up in red robes or pagan rituals. Sometimes he shows up wearing a crown, offering prosperity, peace, and power—so long as we bow.

4. The Lamb Who Came to Conquer

In stark contrast to Lucifer’s pride and conquest, Jesus Christ descended.

Though the rightful King of Heaven, He came not with armies or decrees, but born in a manger, wrapped in humility. He did not seize thrones—He washed feet. He did not demand worship—He gave His life.

And yet, His was no ordinary mission. He came to reclaim what was stolen.

In Revelation 5, John weeps because no one is found worthy to open the scroll and reclaim dominion. But then the angel says:

“Weep not: behold, the Lion of the tribe of Judah, the Root of David, hath prevailed...”

And John turns—not to see a lion—but **a Lamb as it had been slain.**

Christ conquered not by sword, but by sacrifice. His crown was made of thorns. His robe was soaked in blood. But His resurrection was the moment **He secured the throne forever.**

5. The True Throne: Promised, Foretold, Fulfilled

All of Scripture points to the rightful King.

God promised David in 2 Samuel 7:13:

“I will establish the throne of his kingdom for ever.”

Psalms 2 declares:

“Yet have I set my king upon my holy hill of Zion.”

Daniel 7 speaks of the “Ancient of Days” and a Son of Man receiving **an everlasting kingdom.**

The throne was never meant to remain in the hands of Satan or his counterfeit rulers.

It was always destined to return to the **Son of God**, who is also the **Son of Man.**

Jesus is both the Lion and the Lamb, both the heir to David’s line and the eternal Logos. He doesn’t just deserve the throne—He embodies it.

6. Thrones in the End Times: The Final Contest

Revelation is not about beasts and symbols alone—it’s the story of **the final battle for the throne.**

The dragon (Satan) gives the beast (Antichrist) his power, seat, and authority (Revelation 13:2). This is the unholy trinity:

- The Dragon: False Father
- The Beast: False Son
- The False Prophet: False Spirit

Together, they form **a counterfeit kingdom**, offering miracles, signs, and global unity. The world marvels, saying, “Who is like unto the beast?” and they worship him.

But this worship is rebellion.

They are pledging allegiance not to a savior—but to **a fallen king**, clawing his way back to the throne he could never keep.

7. Thrones of the Saints: The Inheritance of the Overcomers

But Christ does not return alone.

In Revelation 20:4, John sees thrones, and those who sit on them are given authority to reign with Christ for a thousand years.

These are not angels.

They are not elites.

They are **the saints**—redeemed by the blood of the Lamb, sealed by His Spirit, and raised to rule.

This is the culmination of Romans 8:17—“*heirs of God, and joint-heirs with Christ.*”

The thrones Satan tried to steal... are now given to those he tried to destroy.

8. Thrones in Fiction: Echoes of the Two Kings

In *Game of Thrones*, the story constantly shifts between kings claiming power and queens stealing thrones. But two figures stand out:

- **Daenerys Targaryen**, who believes the throne is hers by birth.
- **Jon Snow**, who has the rightful bloodline but doesn’t want the throne.

One seeks power through fire. The other lays down his sword.

The parallels aren't perfect, but they echo the deeper story:

- Lucifer, like Daenerys, believes power is his by default.
- Christ, like Jon, possesses rightful authority—but humbly waits until the appointed time.

The Iron Throne is fought over by the unworthy, and in the end, it is **melted down**—a reminder that **only one throne will remain**.

9. Personal Thrones: Who Rules Your Heart?

This cosmic battle is not just global—it's personal.

Every human heart is a throne. And it will be ruled—either by the **King of Glory** or the **prince of this world**.

Jesus stands at the door and knocks (Revelation 3:20). But Satan climbs in through windows. One waits for permission; the other seizes by deception.

We decide who reigns by who we obey.

When we reject pride, deception, and self-exaltation—we dethrone Satan.

When we walk in humility, faith, and obedience—we enthrone Christ.

There is no neutrality.

10. The Crown that Endures

Satan offered Christ all the kingdoms of the world.

But Christ refused the shortcut. He chose the cross.

And because of it, God has highly exalted Him, and given Him the name above every name.

Philippians 2 declares that every knee will bow and every tongue confess that **Jesus Christ is Lord**.

The crown does not go to the proud.

The throne does not go to the violent.

It goes to the Lamb.

Conclusion: The Throne Is Not Empty—It’s Occupied

Satan still pretends to be king. He still whispers lies. He still enthrones puppet rulers and builds counterfeit kingdoms.

But he is not the King.

His time is short. His rule is ending.

The throne belongs to Christ.

And in the end, the real game of thrones is won not by power, strategy, or force—but by the blood of the Lamb, the word of His testimony, and the glory of the One who sits on the throne forever.

Paul Tackett’s novels—*The Ice Pact*, *The Nephilim Protocol*, *The Seer of Two Realms*—shine fictional light on the dark claims of Lucifer’s crown. But the Scriptures remind us: it is Christ, not the dragon, who wears many crowns.

And His throne will never be contested again.

11 of 20: The Real Game of Thrones – The Woman Who Rides the Beast: Thrones of Religion and Mystery Babylon

Introduction: The Queen Without a Kingdom

In Revelation 17, we are introduced to a vision more terrifying than dragons, more corrupt than kings, and more seductive than any earthly empire. It is a woman. Clothed in purple and scarlet. Drunk with the blood of saints. She is not a ruler in her own right, but she holds sway over rulers, seated upon a beast with seven heads and ten horns.

She does not sit on a throne—she rides the throne of others. She does not wear a crown—she seduces those who do.

In this eleventh installment of *The Real Game of Thrones*, we explore the mysterious figure the Bible calls “**Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth**”. We will investigate her role in the throne wars of history, her spiritual influence over the kings of the Earth, and her ultimate downfall when the true King returns. This is not ancient fiction—this is **prophecy unfolding**, and she may already hold the reins.

1. The Harlot Revealed: Revelation 17 and the Woman on the Beast

John writes of a vision given by one of the seven angels:

“Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters.”

“With whom the kings of the earth have committed fornication...”

“And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS...”

—Revelation 17:1-5

This is not merely a person. It is a **system**—symbolized by a woman—representing a **spiritual force** of corruption that permeates:

- **Religion**
- **Politics**
- **Economics**
- **Culture**

She doesn't hold the scepter—she **rides the beast** who does. This is a puppet master. A seductress. A spiritual entity disguised as righteous, but whose inward parts are filled with the filth of idolatry and persecution.

She is not just one woman. She is **the embodiment of every false religion**, every throne corrupted by spiritual adultery.

2. Babylon: A City, A Spirit, A System

The name “Babylon” is not accidental. The very first organized rebellion against God occurred in **Babel**, under **Nimrod**—a mighty hunter “before the Lord,” which can also be translated “against the Lord.”

There, man sought to:

- Create a **one-world system** of language, commerce, and government.
- Build a **tower** reaching into heaven.
- Unite the world without God.

God scattered them, confusing their language. But the **spirit of Babylon** continued.

Throughout Scripture, Babylon represents:

- **Spiritual confusion**
- **Religious mixture**
- **Worldly corruption**
- **Arrogant rebellion against the Most High**

By the time we reach Revelation, Babylon is no longer just a place—it is a **global harlot system**, riding upon the beast of political power.

3. The Woman and the Beast: Religion Controls the Crown

In Revelation 17:3, John sees:

“...a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.”

This image is staggering:

- The **beast** represents a revived world empire (Antichrist system).
- The **woman** represents the **religious power** riding it.

She is not the beast—but she is in control.

This is the **real game of thrones**. The kings of the earth **bow to her**. She directs, seduces, and manipulates—until the beast grows tired and **devours her** (Revelation 17:16).

This symbolizes the **end of religion** in the final empire. The Antichrist **uses religion** to rise to power, then discards it.

4. The Roman Connection: Seven Hills and Scarlet Robes

Verse 9 tells us:

“The seven heads are seven mountains, on which the woman sitteth.”

Historically, **Rome** is known as the “city on seven hills.”

Moreover, the description matches the garb of **Roman Catholic clergy**:

- Purple and scarlet
- Golden chalices
- Blasphemous titles (“Holy Father”, “Vicar of Christ”)

Many Protestant reformers—from Luther to Spurgeon to Wesley—believed **Rome** embodied Mystery Babylon, due to:

- Its persecution of true Christians
- Its mixture of paganism and Christianity
- Its wealth and political entanglement with kings

But the harlot is not Rome alone.

She is **every false religious system** that joins hands with governments to suppress truth and **enslave the souls of men**.

5. The Merchants of the Earth: Economic Babylon

Revelation 18 expands the picture.

Not only does Babylon represent **spiritual adultery**, but also **economic corruption**:

“The merchants of the earth are waxed rich through the abundance of her delicacies...”

“For in one hour so great riches is come to nought.”

Mystery Babylon is a city—but also a **global trade system**. She traffics in:

- Gold, silver, and precious stones
- Fine linen and scarlet
- Slaves and **“the souls of men”**

This is not merely spiritual deception. It is **human enslavement**—through false religion, corrupt banking, and material seduction.

6. Thrones in History: Religion and Empire Joined

The harlot spirit has appeared many times in history.

She rode the beast in:

- **Pagan Rome**, when emperors declared themselves gods.
- **Medieval Catholicism**, when popes ruled kings and led crusades.
- **Islamic caliphates**, where Sharia became throne law.
- **Modern ecumenism**, where truth is traded for tolerance.

In each era, **religion crowned the beast**, and the beast **fed the harlot**.

And each time, true believers were the ones persecuted.

7. Paul Tackett's Vision: The Seer of Two Realms

In Paul Tackett's prophetic novel *The Seer of Two Realms*, the main character sees not just human systems, but **the spirits behind them**.

Cathedrals glow with dark energy.

Politicians bow to unseen queens.

A red-robed woman walks silently into every hall of power—and no one knows her name.

She doesn't speak. She **whispers**.

She doesn't reign. She **rides**.

She is Babylon.

And when the seer names her, all hell breaks loose.

8. Interfaith Movement: The Modern Harlot Emerges

Today, the religious harlot is not merely a single church—it is **a global interfaith system**.

We see:

- The **Abrahamic Family House** (uniting Islam, Judaism, and Christianity).
- Pope Francis calling for **one-world religion**.
- The UN promoting "tolerance" over doctrine.
- Churches removing the cross, preaching social justice instead of salvation.

Mystery Babylon has no problem wearing **any religion**—as long as it hides the truth.

She loves coexistence—as long as Christ is not King.

9. The Judgment of the Harlot: The Beast Turns

Revelation 17:16 is shocking:

“And the ten horns which thou sawest upon the beast... shall hate the whore, and shall make her desolate... and burn her with fire.”

The very system the harlot controlled will destroy her.

Why?

Because once the **Antichrist** consolidates power, **he no longer needs religion.**

He demands **worship of himself.**

This is the **abomination of desolation**, when the image of the beast is set up in the temple and all are forced to worship.

No more harlot. No more games.

Only allegiance—or death.

10. The King’s Return: Thrones Overthrown

Babylon falls in one hour.

Revelation 18:21 declares:

“Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.”

And then...

The heavens open.

“And I saw heaven opened, and behold a white horse...”

“On his head were many crowns...”

“And on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.”

Christ returns—not as a carpenter, but as a **conquering King.**

Every throne collapses.

Every crown falls.

The harlot burns.

The beast is slain.

The real throne stands alone.

Conclusion: Ride No Beast—Bow to the King

Mystery Babylon is not just an ancient city or a religious group. It is a **spirit of spiritual adultery**, of compromise, of dressing like the bride while sitting with the beast.

She rides high now, but her end is swift and brutal.

The real Game of Thrones ends with **one throne**, one King, and one bride—clothed in white, washed in the blood of the Lamb.

Paul Tackett's *Seer of Two Realms* shows the danger of false unity, seductive faiths, and invisible queens. But the Bible declares the final outcome.

The woman who rides the beast will fall.

And the King who never compromised will reign forever.

12 of 20: The Real Game of Thrones – Thrones of the Nephilim: The Blood-Drenched Seats of Ancient Kings

Introduction: The Thrones Time Tried to Bury

Long before presidents, prime ministers, and modern power brokers, Earth was ruled by beings whose size, intellect, and violence were unmatched. They were not mere men—they were **Nephilim**, giants born of forbidden unions between angels and women. Their thrones weren't just carved into stone—they were carved into human memory, etched across every culture and every continent.

You won't find their names on election ballots. But you will find their monuments in the Andes, under Vatican vaults, and buried beneath ancient ziggurats and megastructures impossible to replicate today.

In this twelfth installment of *The Real Game of Thrones*, we descend into the darkest corners of Earth's ancient past, unveiling the thrones of the Nephilim—their global rule, their legacy, and their inevitable reappearance in the final battles of Earth's last empire. These were the first kings. And their thirst for dominion didn't end at death—it simply went underground.

1. Genesis 6: The Rise of the Forbidden Kings

Scripture tells us plainly:

“There were giants in the earth in those days; and also after that...”

“...when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.”

—Genesis 6:4

The phrase “men of renown” is a polite summary. In truth, these were **superhuman warlords**—genetic hybrids, half-celestial tyrants ruling with power inherited from their fallen fathers. They had names. They had armies. They had **thrones**.

And they weren't metaphorical.

They were global.

2. Earth's First Thrones: The Global Nephilim Kingdoms

All around the world, civilizations record the same story with different names:

- In **Sumer**, they were the **Anunnaki**—“those who came from the heavens.”
- In **Greece**, they were the **Titans**, whose war against the Olympians echoes Genesis 6.
- In **Egypt**, they were the **Shemsu Hor**, the followers of Horus—giant kings said to have ruled for thousands of years.
- In the **Americas**, the **red-haired giants** of Nevada and Peru are spoken of in both indigenous lore and archaeological mystery.
- In **India**, the **Asuras** were said to be powerful gods who fell into wickedness, giants that battled the devas.

The details differ, but the framework is identical:

giants once ruled the Earth.

And in their rule, they did not serve mankind—they **devoured** it.

3. Thrones of Stone and Sacrifice: Megastructures They Left Behind

The Nephilim weren't just kings—they were builders. Their legacy remains in:

- **Cyclopean architecture**—massive, multi-ton stones with no modern explanation.
- **Megalithic fortresses**—like **Baalbek** in Lebanon, where the “Stone of the Pregnant Woman” weighs over 1,000 tons.
- **Pyramids**—not only in Egypt, but across Sudan, China, Mesoamerica, and even the Arctic.
- **Dolmens and trilithons**—portals of unknown purpose, scattered globally.
- **Petroglyphs of giants**, some holding weapons and others showing worshipers at their feet.

The throne rooms of these ancient kings weren't made of gold—they were forged in stone, blood, and sacrifice.

4. The Bloodlust of the Nephilim Kings

The **Book of Enoch** adds chilling clarity:

“They devoured all the acquisitions of men. And when men could no longer sustain them, the giants turned against them and devoured mankind.”

—Enoch 7:3-5

Their thrones were not kept through law—they were preserved through terror.

They:

- Practiced **cannibalism**
- Demanded **human sacrifice**
- Taught **sorcery, warfare, and genetic corruption**
- Established **religious cults** around themselves

They became gods in the eyes of men.

But in God's eyes, they were abominations.

5. The Great Flood: Thrones Submerged, Not Erased

When God saw that “every imagination of the thoughts of man's heart was only evil continually,” He sent the Flood—not only to cleanse moral sin—but to wipe out the **Nephilim empires**.

But Genesis 6:4 warns:

“...and also after that.”

In other words, **some survived**. Or their DNA did.

Some believe they escaped:

- Into the **earth** (forming subterranean civilizations)
- Beyond the **ice wall** (as in *The Ice Pact*)
- Into **genetic lines** through Noah's sons' wives

However they returned, Scripture and archaeology confirm: the **giants reemerged**.

6. Thrones Rebuilt: The Canaanite and Post-Flood Giants

When Israel spied out the Promised Land, they didn't just see enemies—they saw **thrones they couldn't topple**.

“And there we saw the giants, the sons of Anak... and we were in our own sight as grasshoppers.”

—Numbers 13:33

Canaan was not just occupied—it was **ruled by hybrid kings**:

- **Og of Bashan**, whose iron bed measured over 13 feet (Deuteronomy 3:11)
- **Goliath of Gath**, who defied God's army until a shepherd boy stood in faith
- **Ishbibenob, Lahmi**, and other giants—“the sons of the giant” (2 Samuel 21)

Their territories were marked by:

- Giant cities with cyclopean walls
- Sacred groves and high places
- Ritual sacrifice and idolatry

These thrones were the **second rise of the Nephilim**.

And God ordered **total destruction**.

7. Thrones of Resistance: Israel's Sacred Mandate

The conquest of Canaan wasn't genocide—it was **surgical judgment**.

God told Joshua to utterly destroy the **Anakim, Rephaim**, and other corrupted lines.

Why?

Because these weren't normal tribes. They were **hybrid kingdoms**, perpetuating the sin of Genesis 6.

But Israel failed to drive out all of them.

And so...

- **Remnant giants spread across Philistia.**
- **Their bloodlines hid within certain tribes.**
- **Their spiritual systems—Baal worship, Ashtoreth rites—infected Israel.**

The thrones of the Nephilim never vanished.

They went **underground**—both physically and spiritually.

8. Hidden Thrones: Antarctica, Tartaria, and the Ice Pact

Many ancient thrones lie beneath:

- Mountains of ice
- Sunken cities
- Ruined temples

Legends of **Tartaria, Hyperborea**, and **Atlantis** speak of lost civilizations of giants and demigods—overthrown, but not forgotten.

In *The Ice Pact*, Paul Tackett imagines a breakaway civilization of Nephilim kings who escaped to **a sealed world beneath Antarctica**. There, they wait—frozen, dreaming, preserved.

Their thrones remain—embedded in crystal. Their kings are not dead—only dormant.

Until the seals break.

9. Modern Thrones: The Bloodlines of Giants in Today's Power

The Nephilim spirit still rules today—just **in smaller vessels**.

Elites in finance, politics, media, and religion guard their bloodlines.

Many claim descent from:

- **The Merovingians**
- **Sumerian priest-kings**
- **Davidic or Solomonic lines**

Some believe the Antichrist will arise from this **preserved Nephilim throne line**—a mix of human charm, satanic power, and ancient heritage.

In *The Nephilim Protocol*, Tackett presents this idea chillingly:

a prince, cloned from ancient DNA, is trained to ascend a digital throne—with technology masking his true origins.

The world applauds.

He bows to no one—except **the dragon who gave him his throne**.

10. Thrones in Prophecy: The Beast That Was, Is Not, and Will Be

Revelation 17:8 speaks of a beast who:

- *“Was”* – ruled in ancient days.
- *“Is not”* – currently restrained.
- *“Yet is”* – still exists in hidden form.
- *“Shall ascend out of the bottomless pit”*

This isn't just symbolic. It's genealogical.

The beast may be a king from ancient days—**resurrected, cloned, or spiritually revived.**

A king of the Nephilim.

A throne never meant to rise again.

But in the last days, it **does.**

11. The Thrones Will Be Cast Down

Daniel 7:9 declares:

“I beheld till the thrones were cast down, and the Ancient of days did sit...”

Every Nephilim throne:

- From Babylon to Baalbek
- From Canaan to CERN
- From the Vatican to the Arctic

Will be **toppled.**

The stone not cut with hands (Daniel 2) will strike the kingdoms of this world.

And the mountain of the Lord will rise.

Only one throne will remain.

Conclusion: The Thrones of the Giants Are Real. But They Are Not Eternal.

The first kings were not godly.

They were monsters.

And their thrones—though hidden, buried, and mythologized—are **rising again.**

We see them in politics. In Hollywood. In digital idols. In transhumanism.

But Paul Tackett's novels—*The Ice Pact, The Nephilim Protocol, The Seer of Two Realms*—paint a clear warning: these thrones are not fiction. They are **history set to repeat.**

Only one throne matters.

And it's not made of stone, gold, or Nephilim bones.

It's made of righteousness.

And it's already occupied.

13 of 20: The Real Game of Thrones – The King's Return: When Heaven's Throne Descends

Introduction: The Silence Before the Storm

For centuries, the Earth has seen kings rise and fall, thrones built and toppled, and empires swept away like dust. The thrones of men have been stained with blood, cloaked in deception, and propped up by pride. But there is a throne not made with hands—a throne set in heaven, unshaken by time, untouched by corruption, and destined to descend.

This thirteenth entry in *The Real Game of Thrones* shifts the narrative from counterfeit thrones to the return of the **true King**—Jesus Christ. We trace the story from His heavenly seat, to His earthly rejection, to His prophesied return in power and glory. The thrones of the Nephilim, of Mystery Babylon, and of the Beast are nothing compared to the final, fiery entrance of the **Throne of God Himself**, breaking through the veil and establishing dominion forever.

This isn't myth. This isn't allegory. This is **prophecy soon to be history**.

1. Heaven Has a Throne: The Seat of Eternal Authority

From the first chapter of Genesis to the final chapter of Revelation, Scripture is clear—there is a literal, glorious **throne in heaven**.

The prophets saw it:

- **Isaiah** beheld the Lord “high and lifted up” (Isaiah 6).
- **Ezekiel** saw the throne surrounded by wheels, creatures, and lightning (Ezekiel 1).
- **John** in Revelation described it with thunder, rainbows, and sea of glass (Revelation 4).

This throne:

- Is not symbolic—it is **the origin of all power**.
- Does not rotate through political cycles—it is **eternal**.
- Is surrounded not by senators or bureaucrats—but by **elders, angels, and worship**.

Everything on Earth—every government, every judge, every law—is a shadow of this throne.

And one day, this throne will come **down**.

2. The First Advent: The King Came Without His Throne

When Jesus first came, He came not to sit on a throne—but to offer it.

He was born in humility, lived in obedience, and died in shame. The crown He wore was one of thorns. His throne was a cross.

Yet even in His lowest moment, the inscription placed above Him declared a greater truth than Rome understood:

“Jesus of Nazareth, King of the Jews.”

He was mocked as king, crucified as king, buried as king.

And when He rose again, He didn’t rise as a ghost—He rose as **a King in waiting**.

After His resurrection, He said:

“All power is given unto me in heaven and in earth.”

—Matthew 28:18

But the throne of Earth was not yet His.

First would come the age of grace.

Then the day of wrath.

Then—the return.

3. Heaven Waits: The Throne Is Ready

In Revelation 5, John sees a scroll in the hand of God, sealed with seven seals. No one is found worthy to open it—until the **Lamb appears**, as one who had been slain.

He takes the scroll—the title deed to Earth.

This act is **the legal reclaiming of Earth's dominion**. The seals that follow are not merely judgments—they are the **breaking of Satan's grip**, one decree at a time.

As each seal breaks:

- War is unleashed.
- Famine spreads.
- Death rides.
- The martyrs cry.
- The heavens shake.

But this isn't chaos—it's **clearance**.

God is clearing the thrones of Earth to **make way for His own**.

4. The Day of the Lord: Heaven Invades Earth

Joel called it “a day of darkness and gloominess.” Zephaniah said it would be “a day of wrath, a day of trouble and distress.” Jesus Himself warned of “distress of nations” and “men's hearts failing them for fear.”

The **Day of the Lord** is not a moment—it is a **cosmic campaign**. It is heaven's army breaking into time. It is the throne of God crossing the veil and asserting dominion over every realm:

- Celestial
- Terrestrial
- Infernal

The world will not welcome Him. The Antichrist will wage war. Armageddon will erupt. And then...

He comes.

5. The King's Return: Not as a Lamb, but as a Lion

Revelation 19 is the clearest description of Christ's return in Scripture.

John writes:

“And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True...”

He is clothed in a vesture dipped in blood. His eyes are like fire. On His head are many crowns.

He is no longer the suffering servant.

He is the **Conquering King**.

And with Him are the armies of heaven—clothed in white linen, following Him as He strikes the nations with the sword of His mouth.

This is not the Rapture.

This is the **reclamation**.

The throne is descending.

6. Thrones of Earth Crushed: The Collapse of Counterfeit Power

When Christ returns, the Beast and the False Prophet are captured **immediately**. There is no long battle. They are not tried in court. They are thrown **alive** into the Lake of Fire (Revelation 19:20).

The kings of the Earth, who gave their power to the Beast, are slain. Babylon is fallen. The religious harlot is no more.

The kingdoms of this world collapse under the weight of the One who never compromised.

His robe says:

“KING OF KINGS, AND LORD OF LORDS.”

There is no more contest.

No more elections.

No more United Nations.

Just **one throne**.

7. The Millennial Reign: The King Sits Among Us

After the battle, Christ sets up **His kingdom on Earth** for 1,000 years.

Satan is bound. The curse is lifted. Jerusalem becomes the capital of the world.

Isaiah 2 describes it:

“And it shall come to pass in the last days, that the mountain of the LORD’s house shall be established... and all nations shall flow unto it.”

Jesus will:

- Rule with a rod of iron.
- Restore justice.
- Reign visibly, gloriously, righteously.

And His saints will rule with Him.

This is not heaven. This is **Earth made right**.

The throne has finally come home.

8. Thrones Shared: The Saints Reign With Christ

Revelation 20:4 tells us:

“And they lived and reigned with Christ a thousand years.”

Who are “they”?

The overcomers.

The faithful.

Those who were persecuted, martyred, mocked.

Now they are **enthroned**.

Not in pride—but in purpose.

This is the fulfillment of Jesus’ promise:

“To him that overcometh will I grant to sit with me in my throne...”

—Revelation 3:21

The throne of Christ is shared—not with tyrants—but with the redeemed.

9. Thrones Judged: The Final Throne Room

After the 1,000 years, Satan is loosed for a season. He deceives the nations once more. A final rebellion rises—and is crushed in a moment.

Then comes the **Great White Throne Judgment** (Revelation 20:11).

Heaven and Earth flee away. The dead stand before God.

There is no hiding.

No appeals.

Only books.

And a throne.

Every soul is judged.

Those not found in the Book of Life are cast into the Lake of Fire.

This is the **final throne war**.

It ends not with a coup, but with a courtroom.

And the Judge is the King.

10. The Eternal Kingdom: Thrones Become One

Revelation 22 ends the story:

“And he shewed me a pure river of water of life... proceeding out of the throne of God and of the Lamb.”

The Lamb and the Father **share one throne**.

There is no more sun—Christ is the light.

There is no more curse—Christ is the healing.

There is no more death—Christ is the life.

Every false throne has been destroyed.

Only one remains.

And it will never fall.

Conclusion: The Throne Is Not Coming—It’s Already Moving

Right now, that throne in heaven is not silent.

It's watching.

It's recording.

It's preparing.

The King is not undecided. His coronation isn't up for vote. His victory was sealed the moment the tomb opened.

Paul Tackett's *The Ice Pact*, *The Nephilim Protocol*, and *The Seer of Two Realms* all point to this moment—the crash of Heaven into Earth. The final act. The last throne war.

And when the dust settles...

Only the Throne of the Lamb will be standing.

14 of 20: The Real Game of Thrones – The Ten Kings: Setting the Stage for the Final Crown

Introduction: The Quiet Coronation Before the Storm

Long before a single arrow is released at Armageddon, and before the Antichrist steps onto the world stage, a hidden network of rulers must first rise to power. The Bible says they appear suddenly—like ten horns on a single beast—and for one hour, they receive a crown. Not to rule independently, but to unify their kingdoms and yield them to a single throne.

These are not presidents in the traditional sense. They are **kings without kingdoms**, perhaps CEOs, technocrats, military rulers, or AI-enhanced figureheads. They do not climb to power by the ballot—they arrive by **design**, groomed in shadow, awaiting their signal.

In this fourteenth installment of *The Real Game of Thrones*, we pull back the curtain on the **ten kings** prophesied in Daniel and Revelation—those who prepare the world for the Antichrist. We explore their origin, their purpose, their possible identities, and their place in the final reshaping of global authority before the King of kings descends.

1. The Prophecy in Daniel: Ten Toes of Iron and Clay

The first glimpse of these mysterious rulers comes in Daniel 2, where King Nebuchadnezzar dreams of a statue representing successive world empires. The final kingdom is described as:

“The feet and toes, part of potters’ clay, and part of iron, so the kingdom shall be divided... but they shall not cleave one to another.”

—Daniel 2:41–43

This final empire is:

- Mixed (iron and clay)
- Divided but united
- Fragile in cohesion
- Awaiting sudden collapse

The **ten toes** foreshadow **ten kings**, who later appear in Daniel 7 and Revelation 17.

This is not a traditional empire. It’s a **global confederacy**, connected by fragile tech, ideology, and economic entanglement, not nationality.

2. The Beast with Ten Horns: Revelation’s Amplification

In Revelation 13 and 17, the vision becomes more vivid.

“And I saw a beast... having seven heads and ten horns...”

“...and upon his horns ten crowns...”

These **ten horns** are not symbolic of vague powers—they are **real kings**, given limited reign for a specific moment in prophecy.

Revelation 17:12 explains:

“And the ten horns... are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.”

Note three key truths:

1. They are **not yet kings**—they are emerging.
2. They **receive** power—they do not earn it.
3. Their reign is **brief**—one hour.

Their purpose? To **transfer all their authority** to the beast.

This is the final handoff.

The last alliance.

The real coronation before the false messiah is enthroned.

3. The Rise of Technocratic Kings

In an age where elections are suspect, governments collapse, and globalization accelerates, power is shifting to **non-traditional authorities**:

- Tech billionaires who shape speech, currency, and culture
- Heads of unelected bodies like the **World Economic Forum, WHO, and IMF**
- Military generals who control vast arsenals and AI systems
- Energy moguls who influence every economy through climate agendas
- Shadowy consortiums that manipulate elections, war, and media

These may be the **types** of kings the Bible describes.

They do not wear crowns—but they control kingdoms.

And when the time comes, they will yield that control to **one man**.

4. The False Unity: One Purpose, One Throne

Revelation 17:13 gives us their mission:

“These have one mind, and shall give their power and strength unto the beast.”

This is unprecedented unity.

Ten kings, diverse in region, language, and background, all:

- Share a singular agenda.
- Voluntarily surrender their autonomy.
- Prepare the world for **the final tyrant**.

What compels such unity?

Possibly:

- Fear of global catastrophe (engineered or real)
- An external “threat” (alien invasion or Nephilim return)
- An economic collapse (resetting currencies and nations)
- A spiritual deception (uniting under a false religious awakening)

Whatever it is, the result is clear:

All thrones are emptied... and offered to one.

5. Thrones of Iron and Clay: Man and Machine

Daniel’s vision also hints at a strange merger:

“...they shall mingle themselves with the seed of men: but they shall not cleave one to another.”

—Daniel 2:43

Many interpret this to mean:

- A union of **human and non-human entities**
- Possibly **AI-hybrid governance**
- A merger of **flesh and fallen tech**

The ten kings may not all be **fully human**.

We may see:

- **Cloned leaders**
- **Genetically modified rulers**
- **AI-enhanced warlords**
- Or even **demonically-possessed figureheads**

The point is not identity, but utility.

They are tools to **usher in the beast**.

6. Paul Tackett’s Vision: Thrones Activated

In *The Nephilim Protocol*, Paul Tackett imagines a chilling council—a hidden room where ten shadow figures monitor humanity’s descent. They do not govern openly. They trigger events, shift currencies, release viruses, and build the narrative.

Each one is tied to a region, a bloodline, and a fallen principality.

And when the time comes, they don’t vote.

They kneel.

Their thrones light up.

And the screen flashes a single phrase:

“THE CROWN AWAITS.”

Fiction?

Or prophecy echoing louder than we expected?

7. Ten Horns, One Beast: A New World Order by Design

This ten-king alliance has long been theorized by researchers:

- Club of Rome proposed **ten economic regions** for the planet.
- United Nations divides the world into **ten geo-political zones**.
- Some globalists refer to **ten super-nations**—North America, EU, Russia, etc.

Whether literal or symbolic, the pattern is clear.

The world is being reorganized, not for diversity—but for **unity under pressure**.

The kings are not rising independently.

They are being positioned.

And soon, they will **step forward**.

8. The Hour of Their Reign: Brief, But Destructive

Revelation says they rule **“one hour.”**

This isn’t a literal 60 minutes—it suggests:

- A **brief, explosive moment** in history.

- Possibly a **seven-year period**, aligned with Daniel's 70th Week.
- Or a **single phase of Antichrist's ascent**, where they consolidate power for the global ruler.

This hour will be marked by:

- War against the saints.
- Enforced worship of the beast.
- Total economic and surveillance control.
- Destruction of Mystery Babylon.

Their rule is brief—but **apocalyptic**.

They are the harbingers of global ruin.

9. The Final War: Ten Kings vs. the Lamb

In one of the most awe-inspiring verses in Scripture, Revelation 17:14 says:

“These shall make war with the Lamb, and the Lamb shall overcome them...”

Let that settle in.

Ten kings.

One Lamb.

And no contest.

They align with the beast, declare war on Christ, and are **destroyed instantly**.

Not by missiles.

Not by politics.

But by the **glory of His coming**.

The thrones they surrendered are incinerated.

The crowns they wore are dust.

The kingdom they fought for collapses in silence.

10. Thrones of the Redeemed: The Inheritance We Wait For

In stark contrast, the Bible promises **thrones to the faithful**.

“Do ye not know that the saints shall judge the world?”

—1 Corinthians 6:2

Jesus said:

“To him that overcometh will I grant to sit with me in my throne...”

The world crowns tyrants.

God crowns servants.

The ten kings are brief, brutal, and forgotten.

But those who serve the Lamb will reign **forever and ever** (Revelation 22:5).

Conclusion: The Thrones Are Being Set—But So Is the Final Judgment

The ten kings are rising.

Their alliances are being made.

Their influence is growing.

But it will all end in a single confrontation.

The Lamb will return.

The mountain will strike the statue.

And the kingdoms of this world will become **the kingdom of our Lord and of His Christ**.

Paul Tackett’s *The Nephilim Protocol* and *The Seer of Two Realms* shine a fictional spotlight on this coming alliance.

But the Bible already sealed their fate.

The ten thrones are not the end.

They are the **setup**.

The curtain.

The stage.

For the arrival of the only King whose crown cannot be stolen.

15 of 20: The Real Game of Thrones – The Beast's Throne: Dominion by Deception

Introduction: The Rise of the Lie

There is a throne being prepared right now—not in the heavens, but here on Earth. It is not golden or righteous. It is not established in truth or justice. This throne is forged in manipulation, sealed by signs and wonders, and anointed by the dragon himself. It is the **throne of the Beast**, the final ruler prophesied to come—not as a conqueror from without, but as a savior from within. He will rise as a man of peace but rule as a tyrant of terror.

This fifteenth entry in *The Real Game of Thrones* unpacks the dark and deliberate establishment of the Beast's throne—a counterfeit kingdom that mimics the real, a reign that begins with flattery and ends with fire. We'll explore the architecture of his rule, his global reach, and how every lie ever told has been building toward his coronation.

This isn't politics.

It's prophecy unfolding by design.

1. Revelation 13: The Beast Is Not a Fairy Tale

John's vision in Revelation 13 is specific and terrifying.

“And I stood upon the sand of the sea, and saw a beast rise up out of the sea...”

He has:

- Seven heads
- Ten horns
- Names of blasphemy

He resembles a leopard, a bear, and a lion—blending elements of past world empires (Daniel 7), a symbolic composite of political, religious, and military power.

He is **not just a system**. He is a **person**, empowered by Satan to rule the final world kingdom.

Revelation 13:2 tells us:

“The dragon gave him his power, and his seat, and great authority.”

This is the Beast's throne.

And it is not claimed—it is **given** by Satan.

2. A Throne Given, Not Earned

Unlike Jesus, who earns His throne through obedience, sacrifice, and resurrection, the Beast is **handed a throne**.

He doesn't ascend through moral virtue or divine right.

His path is paved by:

- Deception
- Seduction
- Counterfeit miracles
- Global crises

His rise is strategic. The world believes it needs him. In truth, they've been prepared to receive him all along.

Satan's authority flows into the Beast like a transfer of dark inheritance.

He becomes the ultimate antithesis of Christ—**the son of perdition**.

3. The Wounded Head: Resurrection or Simulation?

Revelation 13:3 says:

“And I saw one of his heads as it were wounded to death; and his deadly wound was healed...”

This event causes the world to marvel and follow the Beast.

Some believe this means:

- A literal resurrection
- A staged assassination
- A symbolic reemergence of an ancient kingdom

Regardless, it's a turning point.

This **miracle of mimicry** elevates the Beast beyond a ruler.

He becomes a **god** in the eyes of men.

This is **the false resurrection**, counterfeiting Christ's triumph over death.

His throne is now backed not just by power—but by **worship**.

4. Global Worship: The Throne Becomes an Altar

“And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast?”

—Revelation 13:4

The Beast's throne is not merely political—it's spiritual.

This is not leadership by policy—it's **dominion by deception**.

Worship is the endgame.

Satan has always wanted it.

The Beast delivers it.

And with it, a throne unlike any other—a blend of Caesar's empire, Pharaoh's godhood, and Nimrod's rebellion.

This throne is set in the **hearts of men**, as they willingly take the mark, pledge allegiance, and surrender their souls.

5. The False Prophet: The Beast's High Priest

No throne lasts without a religious arm.

Enter the **False Prophet**, the second beast (Revelation 13:11–15).

He:

- Looks like a lamb
- Speaks like a dragon
- Performs great wonders
- Calls fire down from heaven
- Gives life to the image of the Beast

He acts as the Beast's **spiritual minister**, enforcing his rule through deception, miracles, and forced worship.

The False Prophet builds a **global religion** around the Beast's throne.

It is not an optional faith.

It is **the only allowed belief**.

And rejection is punished with death.

6. The Image of the Beast: A Living Idol on the Throne

"He had power to give life unto the image of the beast..."

—Revelation 13:15

This is one of the most chilling prophecies.

Some believe this "image" may be:

- A supernatural hologram
- A genetically engineered clone
- A sentient AI entity
- A demonic manifestation

Whatever it is, it speaks, moves, and kills.

It is enthroned as **the living face of the Beast**.

This is the **idol** of the final world religion.

It sits where the Holy of Holies once stood.

It speaks in the voice of hell.

7. The Mark: Citizenship in the Beast's Kingdom

"And he causeth all... to receive a mark..."

—Revelation 13:16

This mark:

- Controls buying and selling

- Is placed on the hand or forehead
- Is tied to the Beast's name or number (666)

It is not merely a microchip or vaccine or tattoo.

It is a **spiritual signature**—a pledge of loyalty to the throne of the Beast.

It is the satanic counterpart to the seal of the Holy Spirit.

It is the **final act of allegiance**.

No neutral ground remains.

8. Paul Tackett's Vision: Thrones in the Grid

In *The Nephilim Protocol*, Paul Tackett envisions a future where the Beast's throne is not one location—but a **digital grid**, run by a sentient intelligence created from Nephilim DNA.

His system:

- Reads thoughts
- Controls transactions
- Tracks dissent
- Punishes resistance

The throne is mobile. Invisible. Everywhere.

And in this system, no man may buy or sell—**unless he bows**.

9. Time Is Short: Forty-Two Months of Terror

Revelation 13:5 states:

“And power was given unto him to continue forty and two months.”

This is three and a half years—**the second half of Daniel's 70th week**.

In this time:

- The Beast breaks his covenant with Israel
- The abomination of desolation is set up

- Saints are persecuted and martyred
- The Earth groans under judgment

But it is also the countdown to the **true King's return**.

The Beast rules from a throne of blasphemy.

But the **Ancient of Days is on the move**.

10. The Collapse: Throne of the Beast Cast Down

Revelation 19 brings the end.

“And the beast was taken, and with him the false prophet...”

“...these both were cast alive into a lake of fire burning with brimstone.”

No trial.

No resistance.

The throne of the Beast is **obliterated**.

His image is shattered.

His worshippers weep.

But the Lamb stands.

And on His thigh is written:

“KING OF KINGS, AND LORD OF LORDS.”

Conclusion: Don't Serve the Beast—Bow to the King

The Beast's throne is rising.

Even now, the world is being prepared for him:

- Through spiritual compromise
- Through technological idolatry
- Through economic coercion
- Through political manipulation

Paul Tackett's *The Nephilim Protocol* reveals how close we already are—thrones of false peace, digital gods, counterfeit resurrection.

But Revelation tells the end.

The throne of the Beast is temporary.

The throne of Christ is eternal.

Choose your king.

Choose your throne.

16 of 20: The Real Game of Thrones – The Antichrist's Crown: A Kingdom Built on Betrayal

Introduction: The Crown of the Pretender

Every king wears a crown. But not every crown is earned. Some are forged in blood, secured by deception, and adorned with lies. The Antichrist's crown is exactly that—a diadem of blasphemy, propped up by admiration and fear, and seated on a throne that was never meant to be his.

He will not come with horns and fire at first, but with diplomacy, peace, and unprecedented charisma. He will look like the hero the world's been waiting for. And the world will give him their crown freely—before realizing they've crowned their executioner.

In this sixteenth installment of *The Real Game of Thrones*, we peel back the velvet of political pageantry and uncover the sinister ascent of the man the Bible calls the **man of sin**, the **son of perdition**, the **beast**. We'll explore his rise to power, the false hope he offers, the systems he commands, and why his crown is nothing more than a noose for the nations.

1. The Prophetic Blueprint: The Man Who Comes in His Own Name

Jesus once told the Pharisees:

"I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive."

—John 5:43

This wasn't just an observation—it was a prophecy.

Where Christ was rejected, **the Antichrist will be welcomed**. Not reluctantly—but enthusiastically. He will rise during a time of chaos, offering unity, prosperity, and peace.

But his peace will be a **trap**.

His diplomacy will be a **dagger**.

And his kingdom will be the **final empire of rebellion** before judgment.

2. The Crown of Flattery: How the Beast Rises to Power

Daniel 11:21 says:

“He shall come in peaceably, and obtain the kingdom by flatteries.”

He will not take the world by war—at least not at first.

He will:

- Exploit global crises.
- Offer solutions no one else can.
- Win over religious leaders, political allies, and corporate titans.
- Possibly unite the Abrahamic faiths under one tent.

His words will drip with hope, but they will hide a sword.

He is the ultimate deceiver, the final Judas.

And the world will **love him for it**.

3. The Covenant with Death: A Peace Treaty That Backfires

Daniel 9:27 reveals the key moment:

“And he shall confirm the covenant with many for one week...”

This “week” is a **seven-year treaty**, likely involving:

- A Middle East peace plan
- Protection for Israel

- The rebuilding of the Third Temple

This is not a generic peace accord—it is **the countdown clock to destruction**.

At the midpoint (3.5 years), the Antichrist breaks the covenant:

- He desecrates the Temple
- Declares himself to be God (2 Thessalonians 2:4)
- Demands worship from all nations

This is the **Abomination of Desolation**, and it signals the final three and a half years of hell on Earth.

4. The Crown of Blasphemy: Godhood Claimed, Judgment Sealed

Paul describes him in chilling clarity:

“Who opposeth and exalteth himself above all that is called God... so that he as God sitteth in the temple of God, shewing himself that he is God.”

—2 Thessalonians 2:4

This is the **ultimate blasphemy**.

The Antichrist does not merely oppose God—he imitates Him.

- He rises from a “death” (false resurrection).
- He unites people across nations and tongues.
- He sits in a temple.
- He performs miracles through his prophet.

He **mimics Christ** to deceive the world.

But his crown is not a crown of glory.

It is a **crown of defiance**—and it has a countdown.

5. Paul Tackett’s Vision: A Crown Coded in Lies

In *The Nephilim Protocol*, Paul Tackett imagines the Antichrist as a genetically engineered superhuman, raised from infancy in a clandestine facility beneath the ice.

He is flawless.

He speaks every language.

He bleeds synthetic perfection.

And when the time comes, the world watches him walk through a crowd of world leaders as their AI systems crown him on the digital grid.

The crown materializes above his head.

Not forged of gold—but of **light, code, and consensus**.

And he smiles.

Because he knows the people will worship him—not for who he is, but for who they **want him to be**.

6. The Kingdom of the Beast: What His Reign Looks Like

Once crowned, the Antichrist's kingdom becomes:

- A surveillance state with no privacy
- A global economy with no independence
- A spiritual empire with no truth
- A political system with no freedom

His kingdom will have:

- False miracles
- Enforced worship
- Blood-soaked persecution
- Totalitarian peace

He doesn't just govern bodies.

He governs **souls**.

His crown comes at the cost of your mind, your allegiance, and ultimately, your life.

7. The Nations Cheer: “Who Is Like the Beast?”

Revelation 13:4 says:

“Who is like unto the beast? who is able to make war with him?”

This is not a question—it’s an anthem.

By the time his crown is firmly placed, the nations will:

- Dismantle their borders
- Synchronize their currencies
- Offer their armies
- And silence every dissenting voice

No one dares resist.

The media will adore him.

Religious leaders will exalt him.

Children will be taught his gospel.

And the world will kneel—**not by force**, but by fascination.

8. The Mark of Loyalty: Sealed to the Crown

The Antichrist’s crown is not complete without his **mark**.

“He causeth all... to receive a mark...”

—Revelation 13:16

This mark:

- Grants access to the Beast’s kingdom
- Denies access to God's
- Is likely digital, biometric, and spiritual

It is not just a chip or symbol.

It is a **brand of worship**, binding the bearer to the throne of the Beast.

Taking it is irreversible.

Refusing it is fatal.

The crown demands loyalty.

And the world is being conditioned to give it.

9. His Fall Is Sudden: The Crown Cracks

Revelation 19 is not poetic—it is **brutal justice**.

“And I saw the beast... and the kings of the earth... to make war against him that sat on the horse...”

The Beast, crowned and confident, leads a coalition against Christ.

He is arrayed for battle.

His armies are vast.

But there is no battle.

Just one word from Christ—and it’s over.

“The beast was taken... and cast alive into the lake of fire.”

His crown is **not removed**.

It is **consumed with him**.

And all who worshipped him fall with him.

10. The True Crown: The One Who Wore Thorns First

There is another King.

He once wore thorns.

He bled for the ones who mocked Him.

He rose not with vengeance—but with victory.

And when He returns, He does not take a throne by deceit.

He **reclaims** what was always His.

Revelation 19:12:

“On his head were many crowns...”

Not borrowed.

Not counterfeit.

Not voted in.

They are **rightfully His**.

Because He alone is worthy.

Conclusion: Don't Chase the Crown That Damns

The Antichrist's crown will dazzle.

But it leads to destruction.

It is the final counterfeit in a long war of deception.

Paul Tackett's *The Nephilim Protocol* reminds us how easily humanity can be led astray by charm, science, and signs.

But the Scriptures are clear: there is **only one crown** that leads to life.

And it was earned on a cross.

Choose your King wisely.

Because not every crown is salvation.

Some are snares.

17 of 20: The Real Game of Thrones – Thrones of Fire: Armageddon and the Final Clash of Kings

Introduction: The Gathering of the Thrones

The world's stage has always been set for war, but the final battle won't be over land, oil, or ideology—it will be over **worship, sovereignty**, and the **right to rule Earth forever**. The climactic event prophesied in both Old and New Testaments is not just a war—it's the **last throne war**, a supernatural confrontation between heaven and hell, between the armies of God and the kings of the earth who have been deceived by the dragon.

This seventeenth entry in *The Real Game of Thrones* explores the sobering reality of **Armageddon**—not as a metaphor, but as a literal, physical, and spiritual battle where **every false crown is tested**, and **every rebellious throne is consumed in fire**. We'll follow how the kings of the earth are lured to their doom, what happens on the battlefield, and how the throne of Christ is finally established in victory.

1. The Sixth Bowl: The Euphrates Is Dried Up

The path to Armageddon is paved by a supernatural event recorded in Revelation 16:12:

“And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.”

This is not symbolic.

It's a literal removal of a natural barrier.

The Euphrates drying allows for a massive military march westward—an army unlike any seen before, mobilizing toward the Valley of Megiddo.

But why?

Because **they are being drawn**, not by strategy—but by **spiritual manipulation**.

2. The Spirits of Frogs: Demonic Summoning

Revelation 16:13–14 reveals a hidden mechanism behind the final war:

“And I saw three unclean spirits like frogs come out of the mouth of the dragon... the beast... and the false prophet.”

These frog-like spirits:

- Are **demonic entities**
- Perform **miracles**
- Go forth to **gather the kings of the earth**
- Convince them to war against God

This is the devil's last desperate strategy.

He assembles every global throne—military, technological, political—under one banner.

Not to fight each other.

But to fight **the returning King**.

It is **the ultimate act of rebellion**.

3. Megiddo: The Valley of Decision

Joel 3:14 declares:

“Multitudes, multitudes in the valley of decision...”

This is more than poetic language. The valley referenced here is believed to be the **plain of Esdraelon, or Megiddo**—the ancient crossroads of war where over 200 battles have already taken place.

In Revelation 16:16, it’s named explicitly:

“And he gathered them together into a place called in the Hebrew tongue Armageddon.”

Here, all the kings of the earth arrive.

Not by accident.

Not for diplomacy.

But for **destruction**.

4. The Kings of the Earth: Thrones United in Rebellion

Psalms 2 gives us the clearest preview:

“The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed...”

They say:

“Let us break their bands asunder, and cast away their cords from us.”

This is not just geopolitics—it’s spiritual defiance.

The kings have been deceived into thinking they can:

- Resist the return of Christ
- Overthrow the judgment to come

- Maintain their own thrones

They are armed with:

- Weapons of war
- Fallen angel technology
- Artificial intelligence
- Global surveillance

They believe they are prepared.

They are not.

5. Paul Tackett's Vision: Thrones on the Battlefield

In *The Seer of Two Realms*, Paul Tackett imagines the kings of the world gathered on a high-tech battlefield, surrounded by drones, holographic command centers, and demonic advisors.

Each king wears a crown with a symbol of their dominion—digital empires, financial systems, religious alliances.

But above them floats an image of the Beast—alive and speaking.

Then, suddenly, the sky splits.

And every throne begins to **burn**.

What was meant to be a war becomes a **funeral** for rebellion.

6. Revelation 19: The King Descends

The silence is shattered.

“And I saw heaven opened, and behold a white horse...”

—Revelation 19:11

Christ does not arrive as a diplomat.

He arrives as a **warrior-king**, crowned with many crowns, eyes like fire, and a sword proceeding from His mouth.

The armies of heaven follow Him—robed in white.

This is not a symbolic return.

It is visible.

Bodily.

Final.

7. The Slaughter: Thrones Crushed in an Instant

Revelation 19:19–21 describes the moment.

The Beast, the kings of the earth, and their armies gather to make war.

There is no battle.

There is no back-and-forth.

Just **obliteration**.

The Beast and the False Prophet are captured and thrown alive into the Lake of Fire.

The rest are slain by the Word of Christ.

The thrones that stood tall hours before are reduced to ashes.

There is no victory speech.

Just silence.

And smoke.

8. Ezekiel's Parallel: Gog and Magog

Ezekiel 38–39 offers a parallel account, possibly of the same event or its final echo after the Millennium.

It speaks of:

- A confederacy led by **Gog**, from **Magog**
- An invasion of Israel
- Divine intervention through hail, fire, and brimstone

- The burial of the dead for seven months

Whether this precedes Armageddon or follows the 1,000 years, the message is clear:

God will personally crush rebellion.

No alliance of kings, no demonic strategy, no AI-augmented army will stand.

The King of kings will rule **alone**.

9. The Supper of the Birds: A Final Insult to Rebellion

Revelation 19:17–18 delivers a graphic detail:

“Come and gather yourselves together unto the supper of the great God; that ye may eat the flesh of kings...”

This is not a metaphor.

It is **a divine insult**.

The kings who wore crowns and demanded worship will become **food for vultures**.

The generals, mighty men, and false prophets who exalted themselves are **devoured without honor**.

Their thrones are now bones.

Their crowns are dirt.

10. The Fire from Heaven: Thrones Purged Forever

After the Millennium, one final rebellion rises—led by Satan himself after his release.

Once again, the nations gather as **Gog and Magog**.

But this time, there is no battle at all.

“And fire came down from God out of heaven, and devoured them.”

—Revelation 20:9

There is no second chance.

No more thrones.

No more deception.

Just fire.

Conclusion: Armageddon Is Not the End—It's the Reset

Armageddon is the collapse of **every counterfeit crown**.

The kings of the Earth are not overthrown by politics, sanctions, or revolutions—but by the arrival of the **only true King**.

Paul Tackett's novels, *The Seer of Two Realms* and *The Nephilim Protocol*, envision the spiritual intensity behind this moment—where demonic rulers are cast down, and angelic armies descend to seal history's last war.

But Scripture tells the ending with clarity:

The Lamb will stand.

The throne will be His.

And no king shall rise again to challenge Him.

18 of 20: The Real Game of Thrones – Thrones in the Shadows: Secret Societies and the Hidden Powers That Rule

Introduction: Behind Every Throne Lies a Shadow

Thrones are rarely what they seem. Behind the golden seats, beneath the red carpets, and past the media façades lie **the true powers of this world**—secret councils, ancient brotherhoods, occult societies, and hidden kings. While presidents, prime ministers, and monarchs wave to crowds, others—unseen—pull the levers. They do not wear crowns, but their hands **decide wars, shift economies, and install rulers**.

In this eighteenth installment of *The Real Game of Thrones*, we examine the shadows. We'll explore the secret societies and hidden thrones that operate outside the light of public scrutiny but within the scope of prophecy. From Babylon's mystery cults to the Jesuit Order, from Freemasonry to global think tanks, the same spirit of rebellion continues to orchestrate history from behind the scenes.

These are not conspiracy theories—they are **spiritual realities** with earthly fingerprints.

1. Psalm 2: The Kings Take Counsel Together

“The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against His anointed...”

—Psalm 2:2

Long before modern politics, the Bible warned that rulers collude in darkness. These “rulers” don’t just govern—they **conspire**.

Key elements in Psalm 2:

- **They unite** against the Lord
- **They plan** in secret
- **They resist** God’s authority

This is the seedbed for secret governance.

Their goal is not governance by the people—but control over them.

They want freedom from God.

So they build their own thrones.

2. Babel: The First Shadow Government

In Genesis 11, Nimrod builds a tower and a city—not to reach heaven, but to **control Earth**.

“Let us make us a name, lest we be scattered...”

This was:

- The first **unified political-religious system**
- An attempt to forge a **single throne**
- A rebellion **under a human god-king**

God scatters them.

But the spirit of Babel continues:

- In Babylon’s mystery cults
- In Roman imperial priesthoods
- In modern secret societies

The Tower may have fallen, but the **plan remained**.

3. Mystery Religions and Occult Thrones

From Babylon onward, secret religious orders guided kings and empires.

These include:

- **The Chaldean priesthood**
- **Egypt's magicians and temple elites**
- **Greek mystery schools**
- **Roman Mithraic cults**

Their goals were always the same:

- To access forbidden knowledge
- To manipulate spiritual forces
- To influence world rulers

These priesthods were the original "**deep state.**"

They anointed kings and interpreted signs—not from God—but from **familiar spirits**.

And they didn't disappear.

They evolved.

4. Freemasonry and the Brotherhood of Builders

Modern secret societies trace directly back to ancient builders.

Freemasonry:

- Claims lineage from the builders of Solomon's Temple
- Uses **biblical language** to mask **Luciferian doctrine**
- Operates through **rituals, oaths, and hierarchical secrecy**

High-level Masons (32nd, 33rd degree) often:

- Profess Lucifer as "light-bearer"

- Deny the deity of Christ
- Swear blood oaths never to reveal secrets

Freemasonry is not just fraternal.

It is **political, religious,** and **prophetic**—preparing the world for **a messianic figure** that Scripture identifies as **the Antichrist.**

Its influence is undeniable:

- Cornerstones of courthouses are Masonic.
- U.S. presidents, judges, and world leaders have been members.
- The all-seeing eye, compass, and pyramid are **everywhere.**

These are not accidents.

They are signs.

5. The Jesuit Order: Thrones Cloaked in Piety

Formed in 1540, the **Society of Jesus** (Jesuits) became the Vatican’s shadow army:

- Masters of infiltration and counter-reformation
- Controllers of education, theology, and policy
- Involved in the installation of popes and kings

Their motto?

“For the greater glory of God.”

But their actions:

- Suppressed true believers
- Silenced Bibles
- Toppled nations

The Jesuit oath includes:

“...I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard... against all heretics...”

Their power is **deep**, their thrones **hidden**, their allegiance—**uncertain.**

Some believe **the Black Pope**, head of the Jesuits, wields more power than the visible pontiff.

6. Bilderberg, Davos, and Global Think Tanks

In modern times, shadow thrones manifest through:

- **The Bilderberg Group** – an annual meeting of top global elites, closed to media.
- **World Economic Forum** – architects of the “Great Reset.”
- **Council on Foreign Relations, Trilateral Commission, Bohemian Grove**

Their members include:

- Presidents and prime ministers
- Bankers and tech giants
- Media moguls and royalty

Their conversations shape:

- War and peace
- Currency shifts
- Policy reforms
- Surveillance strategies

These aren't clubs.

They are **councils of power**, modern Sanhedrins where the new world order is planned behind velvet doors.

7. Paul Tackett's Vision: Thrones Behind the Curtain

In *The Ice Pact* and *The Seer of Two Realms*, Paul Tackett envisions these societies not as mere men—but as hybrids, descendants of Nephilim, driven by ancient intelligences.

They gather in sealed cathedrals, underground forums, and arcane ritual halls.

Their meetings aren't recorded.

But what is said in those rooms changes the world.

Each man in attendance carries a crest—not of their nation—but of the **beast they serve**.

They are kings—but not of lands.

They are **custodians of the crown... until he comes**.

8. The Spiritual Power Behind the Shadows

Ephesians 6:12 reminds us:

“For we wrestle not against flesh and blood, but... against spiritual wickedness in high places.”

The real throne wars aren’t fought in Parliament or Congress.

They’re fought:

- In secret rituals
- In astral meetings
- In invocation ceremonies

Demons, fallen angels, and principalities lend power to earthly agents.

And behind it all is **the dragon**, orchestrating his final kingdom.

Satan’s plan requires:

- Hidden thrones
- Global deception
- False unity
- And a world ready to receive **his man**

9. The Thrones of the Antichrist: A Handoff in Darkness

Revelation 13:2 says:

“And the dragon gave him his power, and his seat, and great authority.”

The Antichrist will not arise from nowhere.

He will be:

- Prepared by secret societies
- Promoted by religious authorities
- Welcomed by think tanks and councils

They will:

- Crown him behind closed doors
- Declare him the hope of mankind
- Offer him the thrones they've held in waiting

This is the **handoff**—from the shadows to the Beast.

He will step into a crown long forged, long rehearsed.

And the world will **bow**.

10. God's Response: He That Sitteth in the Heavens Shall Laugh

Psalm 2 ends with this:

“He that sitteth in the heavens shall laugh: the Lord shall have them in derision.”

God is not shaken.

He sees every ritual.

He hears every whisper.

He knows every name.

Their secrets are not secrets to Him.

And while they prepare for war...

He prepares **His Son**.

Revelation 19 is not delayed by councils or darkness.

The Lamb will return.

The thrones of the shadows will be **consumed by light**.

Conclusion: Come Out of the Shadows—Stand in the Light

The shadow thrones are real.

They manipulate elections, control narratives, and prepare for the Beast.

Paul Tackett's fictional worlds help us visualize what Scripture already reveals:

Behind the thrones of men are the councils of devils.

But above all of them is a throne in heaven.

And it does not tremble.

Come out of the shadows.

Reject their crowns.

Because the true King is coming—and His throne will never be cast down.

19 of 20: The Real Game of Thrones – Thrones Overthrown: When Every Knee Bows

Introduction: The Collapse of Every Crown

History is the record of one kingdom rising after another, each declaring itself supreme—only to eventually fall. From Babylon to Rome, from the Pharaohs to the modern technocrats, every throne that dared to stand against the God of heaven has either crumbled or awaits its final collapse. Yet the Bible tells us that one day, **all thrones—visible and invisible—will be overthrown**, and **every knee will bow** before the one true King.

This nineteenth entry in *The Real Game of Thrones* leads us to the divine finale of world rulership. No longer are we focused on the rise of the Beast, the ten kings, or shadow governments. Now we watch the **fall of everything** that ever exalted itself against Christ. Thrones of power, pride, rebellion, deception, and religion will all bow—willingly or by force—at the feet of Jesus.

There is no neutrality in this moment.

There is only submission—or destruction.

1. The Prophecy of Philippians: Every Knee Shall Bow

“That at the name of Jesus every knee should bow... and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.”

—Philippians 2:10–11

This is not symbolic.

This is prophetic inevitability.

Paul divides the bowing into **three realms**:

- *“Things in heaven”* – angels and celestial beings
- *“Things in earth”* – humans and nations
- *“Things under the earth”* – demons and the damned

This is **universal submission**—not the fruit of evangelism, but the result of **divine judgment**.

Every throne will either **willingly cast down its crown** or be **forced to its knees**.

2. Daniel’s Stone: The Kingdom That Crushes All Others

In Daniel 2, Nebuchadnezzar dreams of a statue made of:

- Gold (Babylon)
- Silver (Medo-Persia)
- Brass (Greece)
- Iron (Rome)
- Iron and clay (final kingdom)

Then comes the moment:

“A stone was cut out without hands... and smote the image upon his feet... and brake them to pieces.”

That stone is Christ.

The statue represents **every human empire**.

The stone:

- Crushes every throne

- Becomes a great mountain
- Fills the whole earth

This is not just judgment—it is **replacement**.

God isn't here to reform world government.

He's coming to **replace it** with His own.

3. Revelation 11:15 – The Great Declaration

“The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.”

This is the turning point.

Heaven declares:

- Earth's thrones are **no longer independent**
- Christ's rule is **absolute and forever**
- The transition is **final and irreversible**

There is no further vote.

No rebellion tolerated.

No second beast.

Only **one throne remains**.

4. Thrones of Politics: Nations Bow or Burn

Isaiah 60:12 warns:

“For the nation and kingdom that will not serve thee shall perish...”

Christ will:

- Rule with a rod of iron (Psalm 2:9)
- Enforce righteousness (Isaiah 11)
- Judge quickly and visibly (Zechariah 14:17–19)

Governments will:

- Send representatives to Jerusalem
- Observe feasts like Tabernacles
- Submit to His word—or suffer drought and plague

Presidents, premiers, kings, and generals will not hold summits.

They will make **pilgrimages**.

Because Christ is not a religious figure anymore.

He is **the government**.

5. Thrones of Religion: False Worship Ends

The world has long bowed to:

- False gods
- Papal crowns
- Ecumenical councils
- Interfaith movements

But in Revelation 18, **Mystery Babylon falls**.

Her wealth, power, and spiritual adultery are destroyed in one hour.

False religion:

- Is exposed
- Is judged
- Is burned

And in the Millennium:

- Truth will cover the earth like waters (Isaiah 11:9)
- There will be **no more temples**—for Christ is the temple (Revelation 21:22)
- Worship is restored in **spirit and truth**

Every throne that preached another gospel will kneel.

Or burn.

6. Thrones of Pride: Humanism Surrenders

“God resisteth the proud, but giveth grace unto the humble.”

—James 4:6

The world’s systems exalt:

- Self-expression over submission
- Identity over creation
- Independence over obedience

The final kingdom of the Beast is **pride perfected**—a throne built on human enlightenment.

But at Christ’s return:

- Towers fall (Isaiah 2:15)
- Loftiness is brought low (Isaiah 2:11)
- Man is made to tremble (Revelation 6:15–17)

There is no room for ego in the kingdom of the Lamb.

Only humility remains.

7. Paul Tackett’s Vision: Thrones Melting Like Wax

In *The Seer of Two Realms*, Paul Tackett describes a moment during Christ’s return where thrones across the world begin to literally **melt**.

The great halls of power—Washington, London, Brussels, Riyadh—begin to quake.

Portraits fall. Pillars crack. Thrones of iron and gold melt like wax in the presence of the King.

In one scene, a global council tries to hide their leader, but the door bursts open, and light floods the chamber.

And they realize:

“He doesn’t need a sword to rule. He is the sword.”

8. Thrones of Darkness: Demonic Rule Ends Forever

Ephesians 6:12 teaches that we wrestle not against flesh and blood, but **principalities, powers, and spiritual wickedness in high places.**

These demonic thrones:

- Empower human rulers
- Enslave generations
- Thrive in secrecy

But Revelation 20:1–3 tells us:

- Satan is bound for 1,000 years
- His throne is shattered
- His influence is ended

And after the Millennium?

“The devil... was cast into the lake of fire...”

—Revelation 20:10

Every demonic throne is **dismantled forever.**

9. Thrones of Death: Even the Grave Must Bow

“And death and hell were cast into the lake of fire.”

—Revelation 20:14

Even **death**, the last enemy, is overthrown.

There is no throne left—not in Hades, not in the abyss, not among the condemned.

The dead are judged.

The books are opened.

Every name not in the Book of Life is cast into fire.

Not to purgatory.

Not to probation.

To **judgment**.

Even the grave bows.

10. The Only Throne Left Standing: Christ's Eternal Rule

Revelation 22:1:

“And he shewed me a pure river of water of life... proceeding out of the throne of God and of the Lamb.”

There is no shared rule with men.

No divided governments.

No parliament in the New Jerusalem.

There is **one throne**.

And it belongs to the Lamb.

The redeemed reign with Him—not in rebellion, but in righteousness.

The kingdom is not earned.

It is **received**—as a gift from the King who wore thorns before He wore crowns.

Conclusion: Bow Now—Or Bow Later

Every throne bows.

Every knee bends.

The only question is **when**.

You can bow now—in faith, surrender, and salvation.

Or later—in terror, judgment, and regret.

Paul Tackett's *The Ice Pact*, *The Seer of Two Realms*, and *The Nephilim Protocol* pull back the veil and show us the spiritual chessboard.

But Scripture ends the game.

And the Lamb is on the throne.

Forever.

20 of 20: The Real Game of Thrones – The Lamb on the Throne: Eternity’s Final Coronation

Introduction: When the Game Is Over

Every throne in human history—whether forged in stone, gold, blood, or deception—has fallen or will fall. The kings of empires, the beasts of rebellion, the hidden councils, the Nephilim princes, and the dragon himself—all have played their part in the great contest for dominion.

But the real Game of Thrones ends not with another challenger rising—but with **the Lamb**, seated on the throne, worshiped forever, unchallenged, unopposed, and never again contested.

In this final entry of the 20-part series, we end where all stories must—**with the throne of the Lamb**. Not just as a symbol of peace or mercy, but as **the center of all existence**. We will explore the nature of this throne, its radiance, its permanence, and how eternity will revolve around it forever. It is not merely the end of the story—it is the beginning of **everything real**.

1. Revelation 22:1 – The Throne at the Center

“And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb.”

This is the final throne.

It is not:

- Surrounded by armies
- Enclosed in darkness
- Built on conquest

It is the **source of life**.

It flows with **purity**, not politics.

It offers **healing**, not oppression.

And it belongs not to a tyrant—but to the **Lamb**.

The Lion of Judah reigns as a Lamb slain before the foundation of the world.

This is **the paradox and the power** of His throne.

2. Revelation 4 and 5: The Throne Room of Heaven

Before judgment begins in Revelation, John is caught up into the throne room:

“Immediately I was in the spirit: and, behold, a throne was set in heaven, and one sat on the throne...”

Around the throne are:

- Four living creatures
- Twenty-four elders
- A sea of glass
- Thunderings, voices, and lightning

And in the midst of it all—a **Lamb, as it had been slain.**

He takes the scroll.

He opens the seals.

He alone is worthy.

And all heaven **erupts in worship:**

“Worthy is the Lamb that was slain...”

No other throne receives such honor.

No other king could open the book.

Only the Lamb.

3. The Lamb’s Throne Is Built on Sacrifice

Unlike the Antichrist, who rises by deception...

Unlike kings who conquer through violence...

The Lamb takes the throne through **selfless death.**

Isaiah 53 calls Him:

- *“A man of sorrows”*
- *“Wounded for our transgressions”*
- *“Bruised for our iniquities”*

But Philippians 2 declares:

“Wherefore God also hath highly exalted him, and given him a name which is above every name...”

His throne is not political—it is **earned through humility**.

It is **unshakable**, because it is **unassailable**.

There is no challenger.

Not anymore.

4. Thrones Shared with the Redeemed

Revelation 3:21:

“To him that overcometh will I grant to sit with me in my throne...”

The Lamb does not hoard His rule.

He shares it.

With whom?

- The faithful
- The persecuted
- The overcomers

They don't seize thrones.

They **receive them**.

They don't reign in pride.

They reign in **worship**.

The Lamb is not threatened by sharing power—because His power is infinite.

And every saint will become a co-heir.

5. The Throne of Light: No More Night

Revelation 22:5:

“And there shall be no night there; and they need no candle, neither light of the sun; for the Lord God giveth them light...”

The Lamb’s throne radiates **light eternal**.

There is no more:

- Darkness of sin
- Shadows of secrets
- Hidden corruption

Every moment is bathed in clarity, truth, and holiness.

There is no need for elections, surveillance, or armies.

Because **His presence governs perfectly**.

This is not democracy.

It is **divine monarchy**, established in righteousness.

6. Paul Tackett’s Vision: The Final Throne

In *The Ice Pact* and *The Seer of Two Realms*, Paul Tackett imagines the thrones of men, angels, and demons toppling one by one. Governments fall, temples collapse, satellites lose signal.

But in the final scene, as the heavens open, the Lamb’s throne descends—not like a meteor, but like a **sunrise**.

Every tongue—saint or sinner—confesses His name.

Every crown is laid at His feet.

Every enemy is silent.

And the throne shines with a light that penetrates **eternity itself**.

7. No More Thrones to Overthrow

At this point:

- Satan is in the Lake of Fire
- The Beast and False Prophet are gone
- Babylon is reduced to ash
- Earth and Heaven are made new

There are no more games.

No more challengers.

No more wars.

There is only **worship**.

And the throne of the Lamb remains **forever**.

8. The Lamb Is the Temple

Revelation 21:22:

“And I saw no temple therein: for the Lord God Almighty and the Lamb are the temple of it.”

In eternity:

- Worship is not confined to buildings
- God’s presence is not mediated by rituals
- Access is not limited

There is no more distance.

The throne is not behind a veil.

The Lamb **is the temple**.

And He dwells **among His people**.

9. From Eden to the Throne: A Restored Story

Genesis opens with:

- A garden
- A tree
- A river
- A voice walking with man

Revelation ends with:

- A city
- A throne
- A river of life
- God dwelling with man

What began in Eden is **restored in the New Jerusalem**—only better.

The Lamb restores what was lost.

He doesn't just rule.

He **redeems**.

He doesn't just sit on the throne.

He **invites us to sit with Him**.

This is not the end of history.

It is the **beginning of eternity**.

10. The Throne Is the Lamb's—Forever

Revelation 22:3:

“And there shall be no more curse: but the throne of God and of the Lamb shall be in it; and his servants shall serve him...”

The curse is gone.

The throne is permanent.

And the Lamb is **no longer mocked**, beaten, or crucified.

He reigns.

Gloriously.

Eternally.

Conclusion: The Game Ends, the Kingdom Begins

The Real Game of Thrones ends not with another ruler stepping into power, but with **every ruler bowing**.

Every novel Paul Tackett wrote—*The Ice Pact*, *The Nephilim Protocol*, *The Seer of Two Realms*—foreshadowed this final moment, where all power finds its source and all glory is directed to one name.

That name is **Jesus Christ**, the Lamb of God.

And His throne is:

- **The end of the rebellion**
- **The light in the darkness**
- **The song of eternity**
- **The reward of the saints**

There are no more thrones left to claim.

Only one left to **worship**.

And it belongs to the Lamb.

Series Conclusion: The Crown Is Settled – And the Throne Will Never Be Contested Again

From Genesis to Revelation, the Bible reveals a world caught in the struggle for dominion—not just between nations, but between spiritual forces, fallen powers, and human kings who exalt themselves above their Creator. Thrones have been claimed by war, stolen by deception, offered through flattery, and defended by blood. But every single one—whether built in Babylon, beneath Antarctica, or in Silicon Valley—will fall.

The real game of thrones is not about democracy or dynasty. It is a cosmic drama: the dragon against the Lamb, rebellion against righteousness, the counterfeit against the true.

We have traced its movements through giants and secret societies, through kings of the East and digital crowns, through the smoke of Babylon and the fire of Armageddon. And now, the game is over.

There is **only one King left standing**.

He wore a crown of thorns before wearing many crowns.

He conquered by sacrifice, not strategy.

He rules not through force, but through **divine authority**—unbought, unchallenged, and eternal.

His name is **Jesus Christ**.

His throne is established in righteousness.

And **every knee will bow**.

The thrones of men were borrowed.

His throne was never empty.

The game is finished.

The kingdom has come.

And the **Lamb is on the throne**—forever.
